75th Azadi Ka Amrit Mahotsav Celebrations at PACE

India is commemorating its magnificent history as a nation, as well as its achievements, via Azadi Ka Amrit Mahotsav. It represents everything for forward-thinking about India's socio-cultural, political and economic identity. Azadi Ka Amrit Mahotsav programme emphasizes the contributions of unsung heroes of the liberation movement. On August 11, 2022, a campaign in this regard was started in PACE and it was launched by **Dr. Sridhar Maddisetty, the secretary & Correspondent of PACE** by hoisting the national flag on the PACE ground. G.V.K. Murthy, principal, Dr. Veeranjanyulu, Director of Admissions, Mr. Ramana Babu, A.O, Heads of all the departments, faculty and students eagerly took part in this historical event

INDEPENDENCE DAY CELEBRATIONS

*“Freedom is something one has to fight for. Many heroes fought hard to earn it. Surprisingly, man is in invisible chains. In order to free from them, every individual has to fight one’s own fight. The most vital and energetic stage of man’s life is **youth**. Statistics indicate that developing nations with sizeable youth population might experience significant growth in all facets of their economies, as long as they make investments in well-being, **education**, and rights protection. Real freedom can be attained with education. So let us spread knowledge, strengthen our country and celebrate the real freedom.”*

*These are the Motivating words of **Dr. Venu Gopal Maddisetty**, an **Honourable MLA of Darsi Constituency and Chairman of PACE Institute of Technology and Sciences**. Additionally, he *also* greeted all the staff and students with a message;*

“Let your spirits fly high with the Indian flag”

Dr. Sridhar Maddisetty, the secretary & Correspondent, Dr. Vinod Kumar, principal, Dr. G.V.K. Murthy, Vice-principal, Dr. Asha Jyothi, Dean of Academics, Dr. Veeranjanyulu, Director of Admissions, Mr. Ramana Babu, A.O, Heads of all the departments, staff and students enthusiastically participated in this memorable event.

Rally for "HAR GHAR TIRANGA" awareness in the vicinity of PACE Institute of Technology & Sciences

‘Har Ghar Tiranga’ is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag

The students of PACE made a visit to Surareddy Palem in connection with the **Har Ghar Tiranga**

Awareness on "HAR GHAR TIRANGA

The 3k National Flag Rally

Students of PACE Institute of Technology & Sciences participated in the **3k National Flag Rally** at Ongole on August 14, 2022

COMPUTER SCIENCE ENGINEERING

Mr. Srinivasa Rao, an Assistant Professor from the Department of Computer Sciences at PACE Institute of Technology & Sciences attended a work shop on “**Designing & Modeling of IoT, AI & ML Systems**” organized by All India Council for Technical Education (AICTE), ATAL Academy, Arm Education and STMicroelectronics from August 1 to 5, 2022

Four members of the staff of PACE Institute of Technology & Sciences participated and presented the programs conducted at PACE for the last two years through the poster under the category of IIC, ARIIA, IPR and Startups in **Institutions’ Innovation Council MoE’s Innovation Cell Regional Meet** held in Sreenidhi Institute of Technology, Hyderabad on August 12,2022

ELECTRONICS & COMMUNICATION ENGINEERING

A One Day Webinar was held on **Career Opportunities in VLSI Embedded Systems Industry** on August 5, 2022 Mr. Arun John Mathias, Manager, and Mr. Pronadeep Bora, Training Programmer CoreEL Technologies India Pvt. Ltd as resource persons and addressed the students.

On August 29, 2022, S. Manimohan Trinath, a GATE Trainer, organized a GATE Examination and Opportunities through GATE Examination Awareness Program for Civil Engineering Students at ACE Academy for IV Year I Semester Students.

Faculty Development Programs

Assistant Professors Mr. **A. Srujan Kumar** Mr. **A. Manikanta** Ms. **E. Mani** Mr. **S. Ankarao** and **Mr. Ch. Sandeep** attended a three day FDP on “**Building resilience at Work Place**” organized by AMITY University Mumbai held from 9th to 12th August 2022.

Paper Publications

Shaik Shahid PG-Structural Engineering Student published a paper on “**study of micro structural behavior in Geopolymer Concrete and material properties**” by using Waste Material’ in Materials Today Proceedings (SCOPUS INDEXED) on August 11, 2022.

V. Ankamma PG-Structural Engineering Student published a paper on “**Investigation study to enhance the strength by using Hybrid Nano-composites on conventional cement concrete**” in Materials Today Proceedings (SCOPUS INDEXED) on August 13, 2022.

D. Hari Priya PG-Structural Engineering Student published a paper on “**Study of Strength Related Resources of Hybrid Fiber Reinforced Concrete (HFRC) and Energy Absorption Capacity**” in Materials Today Proceedings (SCOPUS INDEXED) on August 24, 2022.

K. Balachandra PG-Structural Engineering Student published a paper on “**Study of Micro Structural Analysis (MSA) on properties Related to Strength and its Characteristics on Bacterial Concrete**” in Materials Today Proceedings (SCOPUS INDEXED) on August 18, 2022.

Department of Mechanical Engineering

The Institution of Engineers (India), Jabalpur Local Centre, under the auspices of the Mechanical Engineering Division, hosted an IEI Technical Webinar on “**ROLE OF MECHANICAL ENGINEERS IN MISSILE SYSTEMS**” on July 7, 2022. Mr. Yarram Srinivasa Reddy, an assistant professor, took part in the webinar.

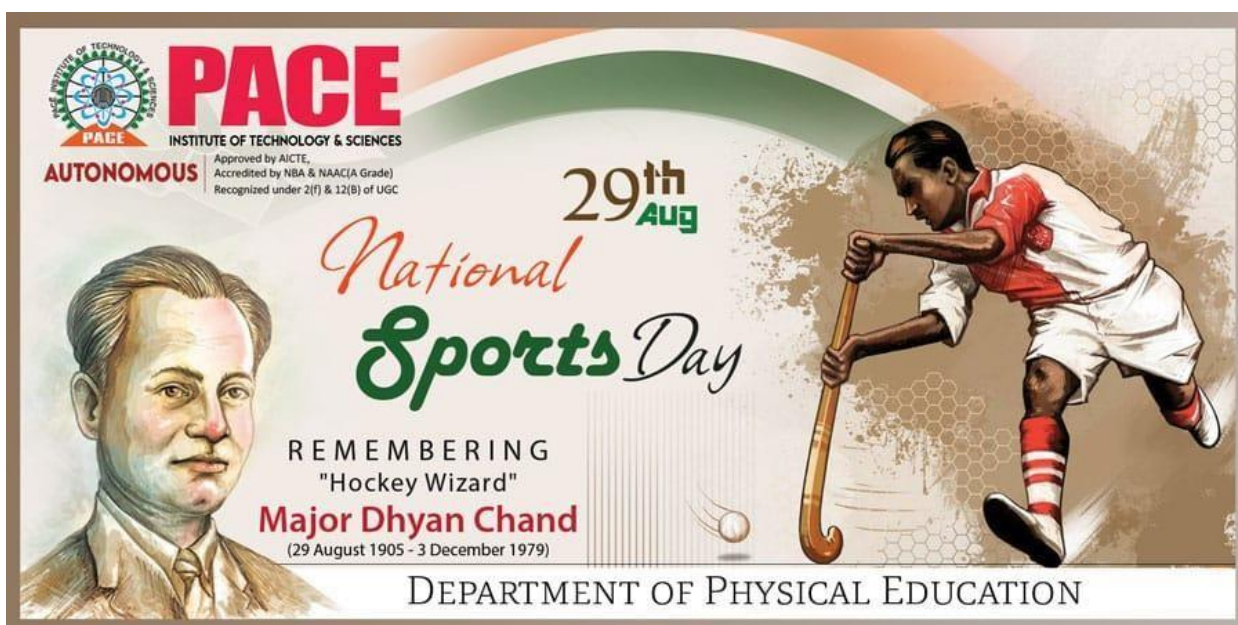

HUMANITIES & SCIENCES

- A study entitled "Non-linear Radiation and Dissipative Impacts on Non-Newtonian Hydromantic Falkner- Skan Fluid via a Wedge" by B. Haribabu, P.S. Rao, Machireddy Gnaneswara Reddy, andSVK Varma was accepted for publication in Waves in Random and Complex Media on August 30.
- Under the category of Exceptional Educators, Dr. B. Hari Babu, Assistant Professor of Mathematics, was chosen as a special invitee to Collector's Residence on August 15, 2022.

S P O R T S

On August 29, the nation of India observes **National Sports Day** in honour of hockey legend Major Dhyhan Chand. The day was designated as India's National Sports Day in 2012. **Major Dhyhan Chand** was a hockey legend in India and abroad. He helped India win their first hat-trick of Olympic gold medals with victories at the Summer Olympics in 1928, 1932, and 1936.

In 2012, India created National Sports Day to commemorate his birthday. The celebration's goals are to pay tribute to the sports hero and raise public awareness of the value of sports in daily life. PACE also celebrated this day in a grand way. Some fond memories:

The PACE Institute of Technology & Sciences' Director of Students Affairs Dr. R. Veeranjanyulu presented prizes to the winners.
