## ABOUT IQAC

In order to articulate the goals and ambitions of IQAC and to have road map for IQAC it was decided to have a vision and mission statement for IQAC. The vision and mission statement coined for IQAC, tries to define and drive quality in PACE.

### *Vision of IQAC*

Striving to address the need of quality and commitment to excellence at PACE.

### *Mission of IQAC:*

M1	In keeping with its Jesuit heritage and identity, IQAC models and expects excellence in academic and professional pursuits.
M2	IQAC cultivates the capacity and dispositions for reflective and critical thought, creativity, and innovation in its main stake holders, that is staff and students of PACE.
M3	IQAC also aims to identify and cultivate extra-curricular talent and potential of both staff and students, which will go towards strengthening the vision of the college.

### *FUNCTIONS of IQAC*

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality
- Development of Quality Culture in the institution
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

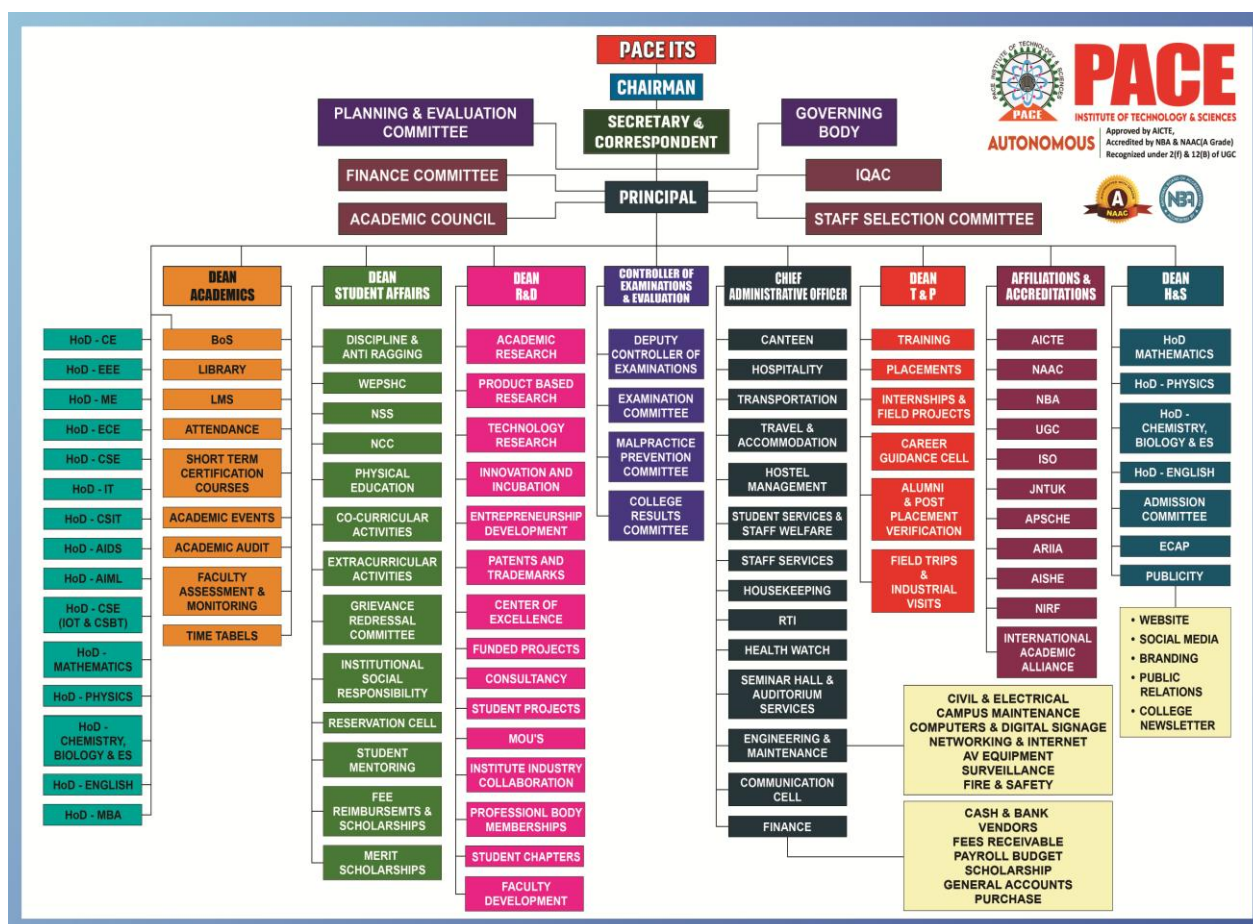

### ***Composition of the IQAC***

Internal Quality Assurance Cell (IQAC) was established in 10th June, 2016 under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

## 9. Organizational Chart:

- 10 Student feedback mechanism on Institutional Governance / faculty performance

A student-evaluation format is filled by all students in respect of each subject taught. The student anonymously evaluates the teacher's performance on a 5 - point rating scale. Appropriate corrective action is taken, if necessary.

The infrastructural facilities and the amenities are adjudged in terms of the opinions about adequacy at the class-interaction meetings. The minutes of the Committee Meeting are recorded and action initiated.

- 11 Grievance redressal mechanism for faculty, staff and students

Two Associations, the Teaching Staff Association and the Non-teaching Staff Association are recognized by the Management and their voice is heard by the Management.

All genuine grievances are redressed promptly.

The class-interaction Committee with student members discusses the academic & administrative problems and the grievances of the students. The minutes of the meeting are put-up to the Management for remedial action, if necessary.

## 12. Fee Structure:

❖ Details of fee, as approved by the State Fee Committee for the Institution:

B.Tech. Tuition Fee per annum	: Rs.40,400/-

### About Research & Development

#### About the R&D:

PACE Institute of Technology & Sciences is pledged to the pursuit of excellence in research and aims to mark its signature in research through multidisciplinary and collaborative research with other institutes. PACE shall ensure that research in advanced fields facilitates solving multidisciplinary problems, along with satisfying the ethical norms and research standards intact.

---

#### Vision of R&D Cell:

To impart quality education through application and theory-oriented research and to produce socially aware engineers, implant ethics and values, for the progression in science and technology.

---

#### Mission of R&D Cell:

- To promote influential interdisciplinary research that is useful for society and the nation.
  - To encourage research in areas of societal needs by providing seed money.
  - To encourage quality research to publish peer-review journals, and patentable products.
  - To train students with a real time approach to connect them to industry-needs.
- 

#### Objective:

- To create conducive atmosphere for research and development in every department.
- Faculty and students will involve in research and development activities for up-skilling their knowledge.
- To develop the growth of research activity in the academia communal.
- Coordinates faculty-level workshops and personnel development activities on research-related matters.

To promote research and development activities, the institute is expanding its full support to students/faculty/personnel.

## **BEST PRACTICES**

### **Best Practices I:**

#### **1. Title of the Practice:**

Covid-19: Practices for health and growth

#### **2. Objectives of the Practice:**

Prevent the spread of Covid-19 and to reduce the negative impact of Covid-19 on students' mental health and education levels.

#### **3. The Context:**

The A.Y. 2020-21 was influenced by the Covid-19 pandemic. The stakeholders are afraid of the spread of Covid-19. Covid-19 also impacts the student's mental health and educational levels.

#### **4. The Practice:**

The Institution conducted Covid test and vaccination drive regularly. Provided sanitizers at major locations. Conducted Covid awareness programs. Thermal screening was conducted during exams and also isolated the persons with symptoms. Motivate staff to participate in development programs and also encouraged students to self-learning completing online courses.

#### **5. Evidence of Success:**

All eligible persons were vaccinated. The students completed 3891 short term courses and staff participated in development programs. The local news media coverage and appreciation from the Governing body members were evidence of success.

#### **6. Problems Encountered and Resources Required:**

Human resource required was supported by NSS team. Medical support was handled by Health-Watch Committee. Motivation for professional and personal growth during pandemic was provided by the IQAC.

## **Best Practices – II**

### **1. Title of the Practice:**

Company based training for campus placement

### **2. Objectives of the Practice:**

To motivate students towards campus placements and provide them required training to get hired by the different companies.

### **3. The Context:**

The Covid-19 increase the demand in IT industry and different companies were hiring students based on the different hiring mechanism. The objective to trine them for those set of skills.

### **4. The Practice:**

The institution Training team put great efforts to trine the students for different skills depending on the industry requirements. The Placement officer was successful in bringing different companies to campus and also motivating students to participate in off-campus drives too.

### **5. Evidence of Success:**

432 students placed in 25 companies in 2.5 to 6 LPA salary range. The positive feedback from the employers about hired persons, curriculum and syllabus offered by institution is also good sign of our efforts.

### **6. Problems Encountered and Resources Required:**

All students were not of same capability. So, the training team clustered them into different groups for different companies like core team, product-based team...etc. Then provided training to them accordingly.
