PACE CHRONICLES

THE INSTITUTE NEWS LETTER

ISSUE: IV, AUG 2017

Chairman's Message

On the eve of the fourth issue launch of Newsletter, I experience paramount happiness which furnishes a way to showcase the yester years' accomplishments. From the journey of NAAC to achieve NBA, the management, the Directors and the faculty are assiduous at their destination. I also motivate the entire faculty to pursue the novel kind of methodologies for implementing student-centric approaches. I propose the entire faculty to involve in Research Development for the standard improvisation of education in the Institution. Last of all, I thank the Editorial Board for their makeover of this Newsletter, a projection of all achieved and forthcoming achievements.

I feel enthusiastic and honoured for the fourth issue of Newsletter. On this sublime occasion, I express my thanks to the Faculty for their magnanimous assistance in achieving NAAC and moving towards the utmost renowned approaching mission NBA. This day, the Institution has changed its methodology in teaching as such Learner- Centric approach. Even, young technocrats are acquiring extensive knowledge with the support of NPTEL Local Chapter. In the current year it's a happiest moment of reminiscing and revising hundred percent admissions. Specially, I appreciate the placement department for their solid work in placing our technocrats into gigantic positions. In the end, I congratulate the Editorial Board of Newsletter for their sincere work in exposing the triumphs of PACE.

Principal's Message

We are committed in taking a philanthropic approach by setting defined objectives to create good technologists from this rural location. We transform the students both personally and professionally to prosper and succeed in this era of technological advancements. We educate the students with well qualified faculty members having requisite skills and unified commitment. The faculty members are relentlessly trained through various faculty development programmes, especially ICTACT Faculty Empowerment Programme to replace the conventional mode of teaching with innovative methods.

To bridge the gap between our institution and various industries, we accumulate suggestions during the Alumni Meet, which has been conducting every year. We impart the suggested training along with regular academic schedule to improve the employability of our students. We provide the students with Wi-Fi facility encompassed the clock 24×7 to facilitate self learning. Complete, sophisticated and well furnished library provides all kinds of study materials required to our students. Indeed, the campus has adequate sports infrastructure to obtain Sports and recreational activities.

Secretary's Message

To create awareness about career opportunities and to develop technical knowledge through Career Guidance Cell, we organize funded workshops, seminars etc. with experts from industries and reputed institutions. In addition to it, the Entrepreneurship Development Cell activities are being carried out to inculcate the thrust of entrepreneurship among our students. The professional societies like ISTE, SAE, ISHRAE, IEEE, CSI, IETE, ICTACT and CII in which we have association for professional activities also help us in disseminating recent developments in technology among our students. Through a separate research and development committee, the efforts are being continuously taken along with regular academic schedules to harness all opportunities for the enhancement of young technocrats.

NPTEL DAY CELEBRATIONS @ PACE

NPTEL-An open e-learning Platform

NPTEL (National Programme on Technology Enhanced Learning) is a Digital and E-learning platform. MHRD, Government of India started this programme in the process of digital India. It is a Joint initiative of IITs & IISc. NPTEL offers online certification after the completion of a course in particular duration. PACE is the 1st college in Prakasam District that acquires active status by IIT, Madras.

PACE has been awarded 'AA' Grade for its astounding contribution towards NPTEL Digital learning. It has been ranked 5th in the state and acquired 41st rank among hundred colleges in NPTEL rankings released by IIT, Madras.

G. Bala Nagi Reddy, Associate Professor from Department of ECE., M. Ramesh from the Department of English, K. Chaitanya and Afreen from CSE achieved a place in All India Toppers List and the College Secretary and Correspondent Mr. Maddisetty Sridhar with elated happiness congratulated the toppers and felicitated them with Gold Medals and Cash Prize.

The college principal Dr. Srinivasan Mohan, the Director of Planning and Development, Dr. P. Sukumar and other directors congratulated all the winners and conveyed their special appreciation to Dr. T.R. Chaitanya for his diligent efforts in making PACE as an active learning platform in NPTEL.

Congratulations!

NPTEL National Level Course Toppers

Assoc. Professor in ECE
Course: Analog Circuits

Asst. Professor in H&S (English)
Course: Speaking Effectively

IV CSE
Course: Introduction to
Modern Application Development

241 Candidates Registered
66 Members Obtained ELITE Certificates
106 Candidates acquired Certificates
1 GOLD Certificate

III CSE
Course: Introduction to
Modern Application Development

British Council Training Programme at PACE

Andhra Pradesh Government (AP) and Andhra Pradesh State Council of Higher Education (APSCHE) in collaboration with the British Council aimed to improve the English language proficiency and employability skills for 100,000 college students at selected higher education institutions in Andhra Pradesh.

This initiative is guided by the **Chief Minister, N. Chandra Babu Naidu's** vision on developing an ecosystem in Andhra Pradesh, *"We aim to transform Andhra Pradesh state into a knowledge hub by providing quality education and giving opportunities for students to develop employability skills among the Universities and Colleges in the state."*

To support this vision, British Council organized a training programme for 20 faculty members. The faculty members were trained by the master trainers for 10 days. The program mainly aimed at learner centric methodology and to provide better quality teaching, learning and assessment of English and employability skills in the colleges. Through this training programme, English teachers will be able to employ teaching methodologies, which facilitate more communicative language learning outcomes. The trained faculty will enhance the learners English, employability and soft skills through an integrated training solution, face-to-face and online and thereby have access to increased opportunities for further education and employment.

National Excellence Award for PACE

The Recruitment Analysis Council of New Delhi has awarded PACE Institute of Technology and Sciences with National Award of Excellence for Placements -2016. The college has been selected under the category of AP Rural Colleges. It has been successfully implementing on-campus and off-campus placement drives and also training the students in various technical courses.

An International Conference at PACE

A two day international conference was organized in PACE on 14th March, 2017. The Delegates, scholars, and professors of various Universities and colleges presented earnestly in the conference. Among them, 154 Ph.D scholars and 92 members presented their research papers in the conference. These papers are published in International Review Journal, IJASTMS. Many innovative trends in the recent era are discussed in the conference. The Secretary and Correspondent Mr. Maddisetty Sridhar, the Principal Dr. C. V. SubbaRao, respective HODs from various departments participated enthusiastically.

GOI Research Fellowship for PACE Professor

Ministry of Science And Technology, Govt of India selected Professor Sri Nagesh of Department of Electronics and Communication Engineering for a fellowship. He obtained a research fellowship and he has been sanctioned Rs.30 lakh for research project titled, "Adaptive Circadian Rhythm Through Dynamic LED Lighting – An Approach For Non Medical Treatment For Sleeping Disorders And Improved Efficiency For Night Shift Work Men". The ministry selected the professor after filtering the applications and research papers from hundreds of scientist across the country. The Secretary and Correspondent Mr. Maddisetty Sridhar, the Principal Dr. C. V. SubbaRao and M. Apparao, HOD, Department of ECE appreciated and said it is a proud movement for the college.

Oracle Academy Student Day @Pace

An awareness programme was organized in PACE regarding Oracle Academy Student Day on 24th March, 2017. Through the assistance of Live Web Cast by the Oracle representatives, an awareness programme was conducted on "CAD Computer", "Big Data Internet of Things" and recent trends in technologies. In the present-day Computer software arena, these courses are advanced and play a significant role. By learning these courses, there are wide opportunities soon, especially, in the field of computers. To this programme, the Secretary and Correspondent Mr. Maddisetty Sridhar, the Principal Dr. C.V. SubbaRao, the Head of the Department of CSE and other faculty members participated and acquired extensive range of knowledge in the present trends.

International Women's Day Celebrations @Pace

On the eve of International Women's Day on 8th March, 2107, an awareness programme was organised in PACE for women faculty and girl students. For this programme, the chief guests were Indian woman Network Chairwoman, Dr. V. Naga Lakshmi, Vice Woman, Ms. K. Rama Rayudu, *Anjani Super Speciality Hospital Chairman*, Dr. Hima Bindu and Ms. B. Leela Padmalatha. On this occasion, Dr. Dr. V. Naga Lakshmi addressed with a slogan "Be Bold For Change". She expressed that women should fight against problems which were faced by them in the society. Woman should develop as a good human being and she should turn herself as a complete woman.

Dr. Hima Bindu voiced that women should not bound to age old social malpractices and she should move equivalent with men. She should prosper her life with education, self-respect and face problems boldly in the society. Therefore, every woman should turn up herself as a power. In this way, the women dignitaries expressed their opinions to the faculty and students. Women Welfare Convener Ms. Anitha Raj organised the celebrations of women's Day. The Secretary and Correspondent Mr. Maddisetty Sridhar and the Principal Dr. C. V. SubbaRao participated in the celebrations.

www.pace.ac.in

Awareness Programme for Students on Communication Skills

The Department of English and the Career Guidance Cell organized a one-day workshop on the role of communication skill for engineering students. The workshop was focused on how to enhance communication skills in the simplest way.

ROL Sarma from Ramakrishna Math, Hyderabad was the resource person of the programme. He emphasized the importance of spoken English for graduates. He also added most of the people who failed to learn English had not got the job. The faculty of the English department emphasized that the job prospects can be developed with better Communication Skills. Stressing the importance of developing communication skills, Er. M.Sridhar, Secretary and Correspondent, expressed that the management provide essential support in prospering communication skills and improving confidence levels to the students.

Personality Development Programme@ Pace

Jana Vignana Vedika organized an awareness programme on "*Personality Development*" which was conducted in PACE on 18th February, 2017. In this regard, Dr. Brahma Reddy addressed the students to avoid stress. He explained the students how to gain concentration and knowledge with the help of Brain Power techniques. The College Secretary and Correspondent Mr. Maddisetty Sridhar expressed that students were unable to reach their goals, due to lack of concentration. The Principal, Dr. C. V. Subba Rao focused that, in the right time, right education was to be provided to students, therefore, the expected results could be attained. CGC Coordinator and other Head of the Departments participated in the programme.

Foreign Education an awareness programme @ Pace

A programme on "*Foreign Education*" was highly organized to all streams of final year Engineering students on 3rd March, 2017. The founder of "St. Mary's Engineering Colleges", Dr. K.V. Rao was the chief guest. After prolonged acclamations of American President Trump, students had lost confidence on Foreign Education. He stated that after obtaining F1 Visa, students need to concentrate on their studies for 2 years rigorously. With this programme students gained many solutions for their doubts aroused. He gave a clear picture of present day problems and solutions regarding visa. This programme was organised by CGC Co-ordinator Ms. T. Sravanthi and the College Secretary and Correspondent Mr. Maddisetty Sridhar, the Principal Dr. C.V. SubbaRao and all other Head of the Departments participated earnestly.

Prosperous Future in CAT an awareness programme @ Pace

On 15th February, 2017 an awareness programme was organised in PACE regarding CAT. Dr. P. Uday Kiran from Vizag hosted the programme and explained to students concerning the books which students had to read compulsory. He declared that if students gained a rank in CAT, they would obtain the possibility in IIM. Some of the students expressed their queries on CAT and the chief guest clarified with substantial information to them.

Motivational Lecture at PACE

A motivational lecture on personality development was organized in PACE on 4th February, 2017. To this programme, Brahmin Welfare Corporation Managing Director, Mr. Venkata Chengavalli presented as chief guest. On this occasion, he motivated students how to possess leadership qualities and provided suggestions towards career guidance. He also explained the importance of soft skills ethics and values to acquire better life.

Faculty Achievements

Hearty Congratulations

• Dr. P. Ramesh, HOD of EEE obtained a patent right on "A Navigation and Information Assistive Spectacle." The patent has got published in Official Gazette for patents of Govt. of India. The publication was dated on 14th July, 2017 and the number is 201741024458A.

• Dr. T R Chaitanya, professor of CSE was awarded a Ph.d degree from Anna University, Tamilnadu in CSE, for the thesis submitted with the title: "Defending against mobile sink replication attack in wireless sensor networks". He received his Ph. D on June, 2017.

• Ch. Krishna Kishore Reddy, Associate Professor, Department of Physics has been awarded Ph. D. from GITAM University, Vizag. His doctoral thesis was on "Synthesis, Structural and Impedance Spectroscopic Studies of Lithium Ion Conducting Glass Ceramic Electrolytes".

• Mr. M. Srinivasa Rao, Asst. Professor of CSE received the Best Paper Award in "National Level Conference Emerge-2017" held at Dr. M.G.R Educational Research Institute for Visual analytics in big data using parallel coordinate model.

• Mr. B. Hari Babu Associate Professor, Department of Mathematics has qualified his Pre Ph.D from IIT, Dhanbad. He is doing research on the topic "Computational Analysis of MHD Convective Flows of Non-Newtonian Fluids".

• Dr. R. Anitha, professor of CSE was awarded a Ph.d degree from Padmavati Mahila University in CSE, for the thesis submitted with the title: "Deep Learning in image processing for early detection of Alzheimer decease". She received her Ph. D on May, 2017.

Student Achievements

- N. Rishitha, from II ECE has been selected and presented a paper in IETE technical Paper Presentation at Andhra Loyola. Her paper presentation on "Improving the Exiting Space Robotic Technology" won II prize.
- M. Yaswanth and K. Pravarsitha from the department of ECE has been selected for summer fellowship in LMNTUniversity, Rajasthan. They are doing a project on wireless sensor networking project.
- N. Krishna and N. Dileep from the Department of IT have been selected and attended the Kargil Youth Meet. This was organized by Nehru Yuva Kendra Samyuktha, which is associated with Gandhi Smruthi, Darsan Samiti.
- Divvela Surya Teja of 1st Year ECE secured a silver medal for his Technical paper presentation in the event "13th National level technical symposium," which was organized by SACET, Chirala.
- Divvela Surya Teja of 1st Year ECE secured a silver medal for his Technical paper presentation in the event "Saptavarna," which was organized by CEC, Chirala.
- P. Jagadeesh won 1st prize in chess competition conducted by K L University.
- Sk. Mahamood presented a PPT on 'Poster' at JNTU Kakinada.
- Shankar, Sk. Aasif and Hemanth participated on workshop and presented a paper in Vijayawada in Institute of Engineers.
- B. Rahul and Ch. SambasivaRao of IV IT developed the Web Developing projects for Red Cross Society.
- B. Rahul and N. Krishna of 2nd year IT, won the second prize in technical paper presentation in KLU.
- P. Mahesh of Ist year IT won the second prize in technical paper presentation in Chirala Engineering. College.
- SK. Afreen of II year CSE won 1st prize in paper presentation competition held at Prakasam College.
- T. Mounika and G.Lavanya of II year CSE, won II prize in paper presentation competition held at KITS College.
- M. Harika & S.Konda of III year CSE, won I prize in Quiz competition held in MLEC.
- N. Brahmani from 1st year MBA won 1st prize in National Level competition "Best Out Of Waste" organized by P. B. Siddhartha College, Vijayawada.

Department of Civil Engineering

Faculty achievements

Paper publications

- G.Ganesh Naidu and G.Hymavathi published a paper on “Comparison On Strength Characteristics Of Fly Ash Based Geo Polymer Concrete With 14 Molar Naoh Activator” in an International Journal of Engineering Research Online, ISSN: 2321- 7758.
- G.Ganesh Naidu published the following papers:
 - “Stability Analysis Of Gravity Dam By Using STAAD Pro In Time History Method” in an International Journal of Magazine of Engineering, Technology, Management and Research, ISSN: 2348-4845.
 - “Comparative Study On Various Methods Used For Corrosion Protection Of Rebar” in Concrete International journal of Scientific Engineering and Technology Research, ISSN: 2319-8885.
- P. Ravi Kumar and N. Priyanka published a paper on “ Study on The Behavior of Fly Ash Based Geo Polymer Concrete With 20 Molar Naoh Activator” in an International Journal of Engineering Research Online, ISSN: 2321- 7758.
- P. Ravi Kumar published the following papers:
 - “Partial Replacement of Aggregate with Ceramic Tile in Aggregate” in an International Journal of Engineering Research online, ISSN: 2321- 7758.
 - “Ternary Blended Self Compacting Concrete Using Recycled Aggregate” in an International Journal of Engineering Research Online, ISSN: 2321- 7758
 - “Replacement Of Cement With Rice Husk Ash In Concrete” in an International Journal of Scientific and Engineering Research.
 - “Experimental Investigation on Mechanical and Durable Properties of High Strength Fiber Reinforced Concrete By Partial Replacement of Cement With Silica Fume and Fly Ash” in an International Journal of Engineering Research Online, ISSN: 2321- 7758.
- M. Rajesh Kumar published a paper on “Strength Studies On Geo Polymer Concrete By Using Fly Ash And Quarry Dust” in Anveshana’s International Journal Of Research In Engineering And Applied Sciences, ISSN: 2455-6300.
- M. Rajesh and N. Priyanka published a paper on “Performance Of R Elements With Laced Reinforcement” in an International Journal of Modern Trends in Engineering and Research, ISSN: 2349-9745, 2393-8161.

Workshops and Training Programmes

- Mr. M. Rajesh kumar, Asst. Professor attended a one day workshop on ‘Polavaram Project – A Vision To Execution’ (Institute of Engineers) in Vijayawada on 15th July, 2017.
- Mr. G. Dasaradha Rama Murthy, Assistant Professor attended a two day workshop on “APPSDC –FIP on Smart Cities” in Vijayawada on 5th & 6th May, 2017.
- Mr. G. Sai Chand, Asst. Professor, Mr. V. Rushendramani, Asst. Professor and Mr. P. Ravi kumar, Asst. Professor attended a six day workshop on ‘APPSDC-FIP On Robot (Structural Analysis) at QIS Engg.College, Ongole from 17th to 22nd March, 2017.
- Mr. D. Srinivasa Rao, Asst.Professor attended a three day workshop on ‘Application Of Gei-Spatial Technologies For Sustainable Natural Resource Management By NRDMS’ at Karunya University from 1st to 3rd February, 2017.

ADD ON COURSE

The Department of Civil Engineering conducted an add-on course on “CAD Lab”. The resource persons were S.Ravi Ram and D. srinivasa Reddy.

Guest Lectures

A Guest lecturer on “Good Concrete Construction Practices” was conducted by K. Koti Reddy an Executive Engineer on 24th February, 2017.

Industrial Visits

As a part of Industrial visit the 2nd year B.tech students visited the “Global Ready Mix Plant” located at Gullapalli on 9th February, 2017. The third year B. tech Students of Civil Engineering visited the Sura Reddy Palem Railway Station in order to gain practical knowledge on “Steel Structure” and knowledge regarding Railway Engineering on 27th January, 2017.

Department of ECE

Faculty Achievements

Paper publications

- Dr. M. Sri Nagesh published the following papers:
 - i. A paper on *"The Fourth Industrial Revolution-Impact of Government and Society on Business- A Comprehensive Study"* in IJRDMR, ISSN (Print): 2319:5479, Volume: 6, Issue:1, 2017.
 - ii. A paper on *"Shaping the Waves-The Contributions Of Universities In Framing Entrepreneurial Eco-Systems Sustainable For Dynamic Environment For Start-Ups -A Study"* in IJRDMR, ISSN (Print): 2319-5479, Volume-6, Issue: 1.
- Mr. G. Balanagi Reddy and Mr. N. Adinarayana published a paper on *"Comparative Studies Of Feature Extraction In Face Recognition System By Using Haar Wavelet Transform"*, (IJASTEMS-ISSN: 2454-356X) Volume.3, Special Issue: 1, May, 2017.
- Mr. N. Prakash Babu, Mr. B. Siva Prasad and Mr. S. Ch. Kantha Rao published a paper on *"A Novel Approach To Redundant BCD Codes For High Speed Radix-10 Multiplication"* (IJASTEMS-ISSN: 2454-356X) Volume.3, Special Issue 1, May, 2017.
- Mr. S. Ch. Kantha Rao and Mr. M. Appa Rao published a paper on *"A Novel Method For Low Power And Area Efficient Shift Register Using Pulsed Latches"* in International Journal of science & Engineering & TR, ISSN: 2319 -8885, Vol. :5 , Issue: 19th, July :2016, Pages: 3821 :3824.
- Mr. N. Prakash Babu and Mr. M. Appa Rao published a paper on *"Unique Image Transmission Technique Through Secrete Fragment Visible Mosaic Image By Reverse Colour Transformation"*, IJR: P- ISSN: 2348 – 6848 E: ISSN: 2348 – 795x Vol:3, Issue :11, July.
- Mr. N. Prakash Babu and Mrs. N. Manogna published a paper on *"A New Approach for Power And Latency Reduction By Using C – Element With Security System"*, IJATIR-ISSN: 2348 – 2370 Vol: 08, Issue: 10, pages: 2048 – 2051.
- Mrs. N. Manogna and Mr. M. Appa Rao published a paper on *"Design and Implementation Of 5 – Bit Low Power Dynamic Thermo Meter Encoder for Flash ADC"*, IJATIR-ISSN: 2348 – 2370, Vol: 08, Issue: 10, pages: 3268 – 3273.
- Ms. K. Lakshmi and Mr. K. Sundeep published a paper on *"Floating Point Butterfly Architecture Based On Binary Signed Digit Representation"*, IJMETMR-ISSN: 2348 – 4845, Vol: 3, Issue: 11 Pages: 941 -946.
- Mr. B. Siva Prasad, N. Adinarayana and N. D. Paramesh published a paper on *"Age Invariant Face Recognition Using Wavelet Packet Transform And Regional Maxima"*, IJRSI-ISSN: 2321 – 2705, Vol: 3, Issue: 17, Pages : 86-89,.

Workshops and Training Programmes

A two day workshop was organized in the department of ECE on *"PCB Design"* on 21st and 22nd February, 2017. The resource person was R. Vikas Reddy from Technotronics. The workshop helped the students to acquire a vast knowledge on PCB.

- Mr. N. Adinarayana attended a workshop on *"Advanced Matlab Tools And Simulink In Engineering Applications"*, in LBCE, Mylavaram on 20th & 21st September, 2017.
- Mr. K. Sundeep attended a workshop on *"Advancements In Video Processing"*, in SV College of Engineering, Tirupathi on 9th & 10th December.

Guest Lectures

- Mr. Venu Bhagavan, Director, Grow Tenx Training LPP, Hyderabad conducted a motivational program for II year ECE on 25th, July.
- K. Sridhar, Asst. Branch Manager, GATE Forum Educational Services, conducted an Awareness Program on *"GATE & IES"* for III & IV Year Students on 26th, July.
- An online master program on *"Study and Research in Germany"* V. Jagadeesh, DAAD Webinar member Germany University on 28th July.
- Dr. V. Pandu Ranga, Asst. Professor from IIT Bhubaneswar gave a lecture on *"Microstructural And Machining Characteristics of hyper Eutectic Al-Si Alloys Using W-EDM"* for IV Year Students on 30th July.
- An Awareness Program On *"CAT & GRE Tests"* was conducted and the guest lecture was given by Abhishek Mitra, Country Head, and TIME for IV Year Students on 11th August.

Industrial Visits

- As a part of Industrial visit III ECE Students visited Amar Raja Batteries Industry, Karakambad, TPT.
- II ECE Students visited jyothi Bio-Energy Ltd, Gundlapally village Maddipadu, Prakasam Dist.

Department of EEE

Faculty Achievements

Paper publications

- Dr. P. Ramesh, Prof. and HOD of EEE published a paper on the topic *"Novel HPF Controlled Strategy Based Active Power Filter Power Renewable Power Generation Systems"* in the Journal IJAEGT, ISSN -2309-4893, Vol.05 and Issue: 3rd May, 2017.
- Mr. Ramesh Babu published a paper on the topic *"Statcom Based on Reduction of PQ Issues in Micro Grids Application System"* in the Journal IJSETR, ISSN -2319-8885, Pages: 0753-0758, Vol.06 and Issue: 4th February, 2017.
- Ms. K. Anusha Published a paper on the topic *"Determination Of Transmission Cost In Deregulated Power System by Implementation Of Facts Controllers"* in the Journal ICACECE, ISSN -2454-356X, Vol.03 and Issue: 1, May, 2017.
- Ms. K. Anusha Published a paper on the topic *"Novel HPF Controlled Strategy Based Active Power Filter Power Renewable Power Generation Systems"* in the Journal IJAEGT, ISSN -2309-4893, Vol.05 and Issue: 3, May, 2017.
- Mr. G Koti Reddy published a paper on the topic *"Fuzzy Logic Based Control of Hybrid Power Distribution Generation"* in the Journal ICACECE, ISSN -2454-356X, Vol.03 and Issue: 1, May, 2017.
- Mr. B. Vijaychandra published a paper on the topic *"A PWM Based Multi Level Renewable Energy System"* in the Journal ICACECE, ISSN -2454-356X, Vol.03 and Issue: 1, May, 2017.
- Mr. K. V. Narayana published a paper on the topic *"Active And Reactive Power Control Of Large Scale Grid Connected PV System By Cascaded Modular Multi Level Inverters With Fuzzy Logic Control Approach"* in the Journal IJMTER, ISSN -2393-8161, Vol.04 and Issue: 4, April, 2017.

Workshops and Training Programmes

The Department of EEE Conducted a work shop on *"IoT s and Its Applications in EEE"* on 17th February, 2017 and the resource persons were Dr. S. Rama Krishnan and Dr. V. Karthik Reddy from Anna University.

Industrial Visits

The Department of Electrical & Electronics Engineering organized an Industrial visit during the academic year 2016-2017 for the II Year Students to *"Srisaillam Reservoir Dam"* and for the III year students to *"Amar Raja Batteries"*.

Department of IT

Faculty Achievements

Paper publications

- Dr. A.seshagiri Rao published his paper with the title of *"web Mining Issues in Research Trends"* in a Journal.
- Dr. A. Seshagiri Rao attended a conference with his paper that consists of the title, *"Mining and Detection of Emerging Topics from Social Network Big Data."*

Guest Lectures

- A Guest lecture was conducted by Dr. V. Sreenivasa Rao on the topic, *"Big Data Analytics With R Programming"*.
- Mr. Ch. Srinivas delivered a guest lecture on the topic, *"Present Situation in software"* for the IT students.
- *"New Trends in Software"* is the topic for a guest speech delivered by Mr. A.Venkata Ramana for the final year students.
- Mr. P. Uday Kumar delivered an inspirational speech for the final year students on the topic, *"An awareness program on CAT & GRE"*.
- Mr. U. Bramha Reddy conducted a guest lecture for the second year It students on *"How to lead Best Life"*
- Mr. C. A. Prasad conducted a guest lecture on the topic of , *"Ethics and Values for Engineering Profession."*
- Mr. K. V. K Rao gave an awesome and an eye opening lecture on the topic of , *"Education & Challenges in USA"* to the final year students.
- Dr. A. Seshagiri Rao and K. Sai Susheel participated a program on *"Internet of Things"* B. Srikanth attended an FDP on *"Big Data"*

Department of CSE

Faculty Achievements

Paper publications

- Dr. R. Anitha presented a paper on "A Novel Machine learning Technique for Early Detection of Alzheimer Disease" in ICTIC.
- M. Srinivasa Rao, Professor of CSE presented the papers titled:
 - i. *Analysis Of Different Pattern Evaluation Procedures For Big Data Visualization In Data Analysis In AISC Series*, Vol-542, Pages: 453-462, ISSN: 2194-5365, June, 2017.
 - ii. *Analysis Of Visual Cryptographic Techniques In Secret Image Data Sharing In Data Analysis In AISC Series*, Vol-542, and Pages: 453-462 ISSN: 2194-5365, June, 2017.
- Dr. T. R. Chaitanya, Professor of CSE published papers entitled:
 - i. "Deployment Of P-Cycle In Optical Networks: A Data Mining Approach" in IJSRSET, Vol-02, Issue: 5, Pages: 1-5 ISSN: 2395-1990.
 - II. "Defending Against Mobile Sink Replication Attack In Wireless Sensor Networks In Sensor Letters (Web Of Science)", Vol-14, Issue:10, ISSN: 1546-1971, Pages: 1026-1035, January.
- Dr. R. Anita, published a paper on "Medical Image Segmentation of Diagnosis Alzheimer Disease using Neural Network" in IJETT, Vol: 39, Issue: 01, Pages: 51-56 ISSN: 2231-5381.
- P. Anil Kumar, M. SrinivasaRao and P.Sreehari presented a paper on "Deep Learning In Big Data: Challenges And Perspectives" in IC3T-Springer Conference.
- D. JanardhanReddy and Sriharsha published a paper on "A Parity Relationship Agitate Objected Scheme In Smartphone Mobile Networks" in IJRCSE, Vol:6, Issue: 06, Pages: 4545-4550, ISSN: 2321-0338.

Conferences Attended

- Prof. P. Anil Kumar, HOD, CSE attended a conference on "Use of ICT in Education for Online and Blended Learning".
- Dr. T. R. Chaitanya attended a conference on "Internet Of Things".
- P. Sreehari, S. Phani Kumar and M. Srinivasarao attended a conference on Big Data-Analytics.
- Dr. T. R. Chaitanya and P. Anil Kumar attended an "NPTEL Workshop".
- D. Anandam attended a conference on "Essentials Of Big Data".
- P. Anil Kumar attended a conference on "E-Learning And Multimodal Learning Analytics".
- S. Phani Kumar and Sk. Jilani Basha attended a Conference on "Google Android Developer Fundamentals".
- P Anil Kumar and Dr. T. R. Chaitanya attended a Conference on "SPOC Workshop".

Workshops and Training Programmes

The Department of CSE conducted a work shop on "Python Programming" on 5th March 2017. The Resource person was U. Manohar, Sr. Software Engineer from Intel Corporation. He made students to acquire a wide knowledge in ease of coding techniques, advance uses in IOTs and building applications.

Guest Lectures

- A Seminar was conducted on "Empowerment through Self Education" by Dr. Y. MohanRao & Sirveen on 3rd January, 2017.
- A seminar was conducted on "360°- E-Learning Program" by A. Jase Hussain held on 10th February, 2017.
- C. A. Prasad, Janavignana Vedika conducted a seminar on "Ethics & Values For Engineering Profession" on 3rd March, 2017.
- K.V. K Rao, Founder St.Mary's Group of colleges gave a lecture on "Education & Challenges" in USA on 3rd March, 2017.
- A guest lecture was organized on "Python Programming Fundamentals" on 5th march 2017 and the resource person was U. Manohar from Intel-Securities- Bangalore.
- A guest lecture was conducted by A. M. Ashok Kumar, Zebros Electronics from Chennai on the topic "Internet of Things" on 13th, March, 2017.

Department of Mechanical

Workshops and Training Programmes

- A faculty development Program was conducted by Mechanical Department on "Recent Advances In Fibre Reinforced Polymer Composites" on 24th, April, 2017.
- A faculty development program was conducted on "Metal Hydrides for Hydrogen Storage – Mobile and Stationary Applications" on 17th January, 2017.
- Faculty Development Program was conducted on "Manufacturing of Advanced Materials", on 17th January, 2017.
- A six day workshop was organized on "Advanced Printing Technology" by the Department of Mechanical Engineering from 10th to 15th July, 2017. The Chief Guest was Dr. Y. Ravi kumar from NIT, Warangal.

Guest lectures

- Sri. P. Uday kumar, CAT Course Director from Vizag gave a speech on "Awareness Program on CAT & GRE" on 15th February, 2017 at PACE.
- Dr. K. V. K.Rao, the Chairman of St. Marys Group of Institutions, Hyderabad delivered a lecture on 'Education & Challenges In USA' on 3rd March, 2017 at PACE.

Department of AME

Guest lectures

- Dr.C.A.Prasad State President, Praja Science Vedika from TIME Institution conducted a guest lecture on the topic of "Ethics & values for engineering profession" on 2nd march, 2017.
- On the topic "E360 Degrees E-learning Program" AME department carried out a guest lecture on 4th february, 2017. The resource person was Mr. Ajase Hussain learnings, from Zee Interactive Learning Services, Bangalore.
- A guest lecture was conducted for AME students on the topic, "Student Magazine" by J.Vamsi Krishna, Academic Relations, TIME Institution.

Workshops and Seminars Attended

- Mr. Khan Asif & Mr.pankaj attended a seminar on the topic, "Assembly & Dessembly" at Chirala Engineering college and they also attended a seminar on Innovative Designs.
- Mr. Khan asif attended a seminar on "CAM Less Engine" in Prakasam Engineering College.
- Mr. Sk.Sulthan Basha attended a seminar on the topic "Sensor safety in Automobiles" at B.V.S.R, Engg.college on 28th, Jan,2017.

Department of MBA

Faculty Achievements

- T. Mary Jones, Assoc. Prof. successfully completed the following courses:
 - The Requirements for EMC Academic Associate, "Data Science And Big Data Analytics".
 - The short term online course MOOCs "Science of Happiness", offered by EDX in association with Berkeley University.
- Mr. Ch. Sreenivasa Rao Assoc, Prof. successfully completed "STEPATHON", a forty day online English challenge course conducted by The Hindu Group.
- Mr. Ch. Vijay Kumar obtained license to act as "CS Counsellor" to Guntur (Amaravathi) Chapter on 1st March, 2017.
- Mr. Ch. Vijay Kumar received an Appreciation letter from IIT Kharagpur, NPTEL for acting as Mentor to "Principles of HRM" in PACE SPOC Centre.
- K. Ajay Kumar, Asst. Prof. successfully completed the "Requirements for EMC Academic Associate, Data Science and Big Data Analytics".

Paper publications

- T. Mary Jones Assoc. Professor of MBA published the following papers:
 - i. "Conflict Management In The Present Scenario" in IRA International Journal Of Management & Social Sciences, 2455-2267.
 - ii. "A Study On Various Factorts Affecting The Need For Industry Institute Interaction" in International Journal of Education and Multidisciplinary Studies, 2455-2526.
 - iii. "Entrepreneurial Team" in International Journal Business and General Management, 2319-2267.
 - iv. "A Study on the Implication Of Pradhan Manthri Jan Dhan Yojana On The Growth Of Indian Economy" In IRA- Interna tional Journal Of Management & Social Sciences, 2455-2667.
 - v. "A Study On Various Factorts Affecting The Need For Industry Institute Interaction" in International Journal O F Education and Multidisciplinary Studies, 2455-2526.
- CH. Sreenivasa Rao Assoc. Professor of MBA presented the papers entitled:
 - i. "Grand Success Tax System or Ground for Suspicion In Taxpayers" in International Journal Of Multidisciplinary Educational Research, 2277-7881.
 - ii. "Role Of Self Help Groups In Scio- Economic Change Of Vulnerable Poor In Prakasam".
- Ch. Vijay kumar, Assoc. Professor published a paper on "Corporate Social Responsibility Business, Laws And Ethics".
- R. Koteswara Rao, Assoc. Prof. published a paper on "An Analysis of Potential Appraisal in Auto Mobile Manufacturing Companies", 2347-1667.
- T. Ramakrishna, Assoc. Prof. and P. Bharath, Kumar, Asst. Prof. published a paper on "An Analysis Of Potential Appraisal In Electrical Manufacturing Companies", in IJRTI 2456-3315.
- K. Mahesh, Asst. Prof. published a paper on "A Huge Financial Loss To The Receiver", 2394-594X.
- D. Pushpa, Asst. Professor published the papers entitled:
 - i. "Sri India's Capital Markets – Unlocking the Door for Future Growth" in International Journal for Multidisciplinary Advanced Research Trends, ISSN 2349- 7408.
 - ii. "Globalization Of Finance And Its Implications For The Stabilization Of Industries Of India" in International Journal of Advance Research, Ideas and Innovations in Technology, ISSN: 2454-132X.
- Ch. Hanuma Jyothi, Assoc. Professor published the papers entitled:
 - i. "The Fourth Industrial Revolution – Impact of Government and Society On Business – A Comprehensive Study", ISSN: 2319 - 5479.
 - ii. "Care When You Dare: A Selective Study" in International Journal of Advance Research, Ideas and Innovations in Technology, ISSN: 123-132X.
 - iii. "Application of Ancient Indian Philosophy in Modern Management", 319-5479.

Workshops and Seminars Attended

- T. Mary Jones, Assoc. Prof. attended an FDP on *"Data Science and Big Data Analytics"*.
- Ch. Hanuman Jyothi, Assoc. Prof. attended an FDP on *"Data Science and Big Data Analytics"*.
- Mr. Ch. Vijay Kumar, Assoc. Prof. attended a short term course on *"Research Methodolgy"*, organized by UGC, HRD, and Andhra University from 19th to 25th June, 2017.
- K. Ajay Kumar, Asst. Prof. attended an FDP on *"Data Science and Big Data Analytics"*.
- Ch. srinivasa Rao, Assoc. Prof. attended an FDP in National Acharya Nagarjuna University on 29th March, 2017.
- T. Mary Jones, Assoc. Prof. attended an International Conference at VELAGAUDI Ramakrishna Engineering College on 30th December, 2016.
- T. Mary Jones, Assoc. Prof. attended a National Seminar at P. B. Siddhartha Engineering College on January, 2017.
- Dr. V. Venkateswara Rao, Professor attended a National seminar at ANU Campus, Ongole in January, 2017.
- Dr. V. Venkateswara Rao, Professor attended a National seminar at VRS & YRN College, Chirala on February, 2017.
- Dr. V. Venkateswara Rao, Professor attended a National seminar at Sri Venkateswara University, Tirupati on August, 2016.
- D. Pushpa, Asst. Prof. attended a National seminar at VRS & YRN College, Chirala on February, 2017.
- Ch. Vijay kumar, Assoc. Professor attended an International Seminar in Acharya Nagarjuna University on 10th March, 2017.
- Ch. Jyothi, Assoc. Prof. attended a National seminar in VRN & YRN College on 4th February, 2017.
- Ch. Vijay Kumar, Assoc. Professor delivered a guest lecture on *"Interpersonal Skills To Company Secretary Course Executive"* for passed students of ICSI Amaravathi Chapter on 27th June, 2017.
- Dr. V. Venkateswara Rao, Professor attended a National seminar at VRS & YRN College, Chirala on February, 2017.
- Dr. V. Venkateswara Rao, Professor attended a National seminar at Sri Venkateswara University, Tirupati on August, 2016.
- D. Pushpa, Asst. Prof. attended a National seminar at VRS & YRN College, Chirala on February, 2017.
- Ch. Vijay kumar, Assoc. Professor attended an International Seminar in Acharya Nagarjuna University on 10th March, 2017.
- Ch. Jyothi, Assoc. Prof. attended a National seminar in VRN & YRN College on 4th February, 2017.
- Ch. Vijay Kumar, Assoc. Professor delivered a guest lecture on *"Interpersonal Skills To Company Secretary Course Executive"* for passed students of ICSI Amaravathi Chapter on 27th June, 2017.
- Ch. Vijay Kumar, Assoc. professor delivered a guest lecture on *"Career Awareness On Company Secretaries Course"* in ANU PG Centre, Ongole on 10th March, 2017.
- Ch. Sreenivasa Rao, Assoc. professor delivered a guest lecture on *"Financial Education Workshop for Young Investors"* at KKR Degree and PG College, Addanki on 14th February, 2017.
- Ch. Sreenivasa Rao, Assoc. professor delivered a guest lecture on *"Financial Education Workshop For Young Investor"* Loyola Institute of Technology & Management, Sattenapalli on 28th February, 2017.
- Ch. Sreenivasa Rao, Assoc. professor delivered a guest lecture on *"Financial Education Workshop for Young Investors"* at Geetham Degree & PG College on 28th June, 2017.

SRUJANA 2K17- 9th ANNIVERSARY DAY CELEBRATIONS

To encourage the aspirants, highly energetic and vibrant students in various aspects like technical, cultural, sports and extracurricular activities, PACE has been organizing an annual Festino. This year, it celebrated Festino 2K17 on 18th of March, 2017. Students from different branches gathered with the burst of enthusiasm. It is aimed at bringing youth under the same platform, enhance social interaction and facilitate exchange of cultural ideas and thoughts.

The Secretary and Correspondent Mr. Maddisetty Sridhar, the Principal Dr. C.V. SubbaRao, and HODs from various streams and faculty members expressed their feelings of happiness on this occasion. The chief guest Prof P.Sukumar, Dean of VELTECH University enthralled the students with his words.

Bio- Diesel Production Laboratory @ Pace

A Bio-Diesel production laboratory was established in PACE Institute of Technology And Sciences on 13th June, 2017. With the wastes from Environment Sciences, oils and agriculture, the Bio-Diesel was produced. The College Secretary and Correspondent Mr. Maddisetty Sridhar inaugurated the Bio-Diesel Laboratory. He expressed that, Bio-Diesel when compared with other fuels and oils was formed with various vegetables, animal fat etc. There were various benefits in the environment, since, it was named Carbon Neutral and prevent pollution. Also, ecological balance would be obtained in the environment. At present, Brazil, Germany, America and other countries were utilizing expansively. Enthusiastic industrialists may use this opportunity well.

Service and Extra Curricular Activities @ PACE

International Yoga Day Celebrations @Pace

On 21st June, 2017, third International Yoga Day Celebrations occurred in Pace. Especially, many students participated in the programme enthusiastically. Aravind Ashram's Yoga Guru, Mr. N. Venkateswarlu presented as chief guest for the session. He explained the significance of Yoga in day to day life. He uttered the positive effects of Yoga in the long run. He actively made the students to participate in performing Yogasanas for the time being. He thanked the Central and State government for prioritizing "International Yoga Day". Lastly, he thanked the college Management for giving an opportunity in expressing his views on yoga for Faculty as well as students.

Olympic Run on 23rd June, 2017

Swachh Bharat Abhiyan Camp

The college NSS wing organized an Awareness camp on Swachh Bharat Abhiyan. As a part of this programme many faculty and students actively participated hand in hand for making the campus clean and green.

Blood Donation Camp

Blood donation camps are frequently organized in the college premises by the NSS Wing. Around 200 students and faculty participated and donated their blood.

Sports and Games

PACE in addition to education encourages the significance of sports and games and other extracurricular activities. the sports and games competitions progressively conducted to energize both the physical and mental strength. The following are achievements of students in Sports and Games during the yester semester
