PACE AT A GLANCE

PACE Institute of Technology and Sciences (PACE ITS) was established under Srinivasa Education Society in 2007 at Valluru village, near Ongole. It has been running successfully since the academic year 2008-09. PACE, being an NRI's project is committed to provide a world class technical education. PACE Institute of Technology and Sciences is permanently affiliated to JNTUK, Kakinada and approved by AICTE, New Delhi. The institution was accredited by "NBA" and NAAC with "A" grade. The institution has got the AUTONOMOUS status in 2018. The college is situated in a panoramic area of 14 acres with Wi-Fi enabled infrastructure, well ventilated classrooms and well equipped laboratories. As a provision for physical fitness, the college also has a sports field and indoor stadium.

This institution was started by Dr. Maddisetty Venugopal Rao, Chairman and Dr. Maddisetty Sridhar, Secretary & Correspondent, with a modest strength of 240 and now, the institute has an intake of 1000+ students. The college offers B. Tech Degree in ECE, CSE, CSE (IoT and Cyber Security), CSIT, AI & ML, AI & DS, EEE, IT, Mechanical, Automobile and Civil. The college also offers courses like MBA, M.Tech and Diploma.

VISION

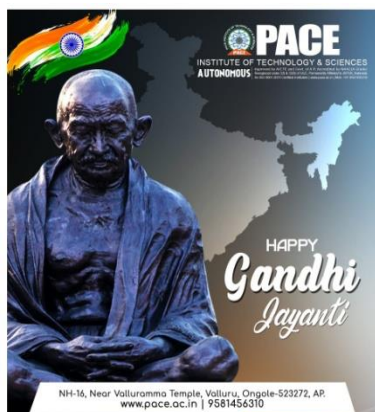

To impart futuristic technical education transforming the students technically superior, ethically strong, self-disciplined to serve for the nation building as a valuable resource.

MISSION

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities.
- To enrich the intellectual know-how, credibility and integrity of the students to necessitate industry.
- To transform the students as scholarly and influential leaders in engineering education, and to develop human power with creativity, advanced technology and passion for the betterment of future nation.

Gandhi Jayanti

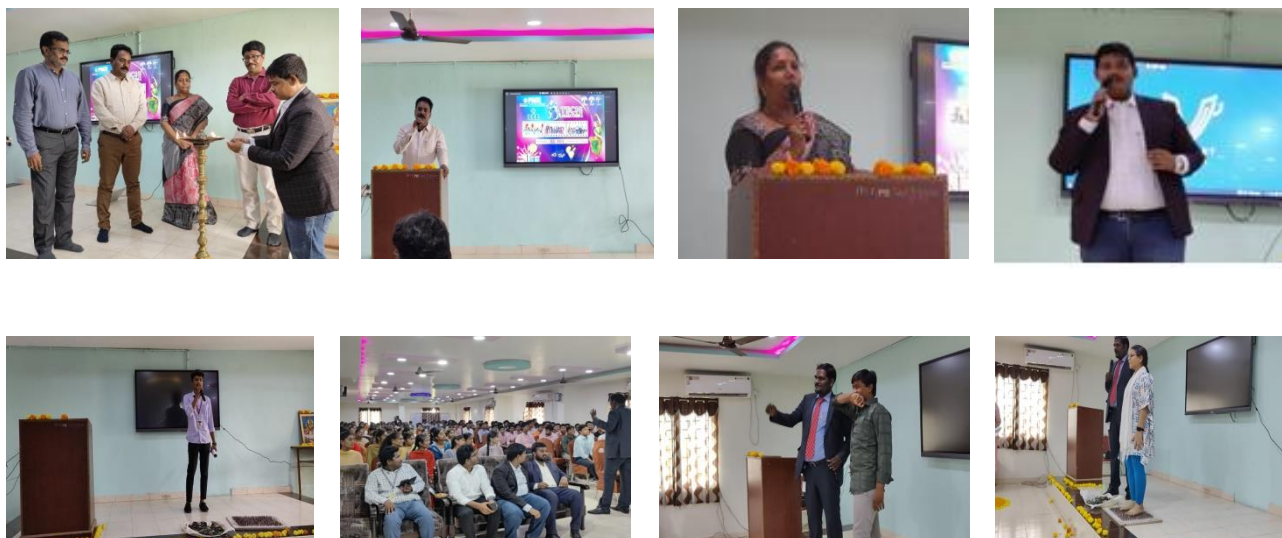

The day celebrates the independence warrior Mahatma Gandhi as well as the principles of tolerance and nonviolence that he advocated. The purpose of the day is to encourage world peace, harmony, and unity. At PACE, the college secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, and dean of training and placements Ms. K. Roopa Akkesh, all the heads of departments, staff, and students paid their respects to Gandhi.

Institute of Electrical Electronics Engineering – IEEE

On October 3, 2023, the PACE Institute of Technology and Sciences hosted the **TECH MARATHON-2K23**. Vibrant Technologies founders, Mr. SSV Phanindra Sunkara and Mr. R. Prabhu Kalyan, lectured and spoke with students about Innovative Ideas. Dr. Janakiram led a brainstorming session on innovation and design thinking. Many students provided positive remarks and actively participated. As a guest of honour, Dr. Ch. Himabindu (IEEE Guntur Sub-section Head) spoke about the establishment of IEEE chapters for various engineering branches. She thanked IEEE volunteers and the management for inviting her as a keynote speaker. The IEEE Day with the name "TECH MARATHON-2K23" by PACE, was a success. This year's theme is "Leveraging Technology for a Better Future." This event drew around 150 students from various institutes. Dr. M. Rajasekhar, a student counselor at Branch, organized the event successfully. College secretary and correspondent Dr. Maddisetty Sridhar; principal Dr. GVK Murthy, director of students' affairs; Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, AO, Mr. M. Ramana Babu, staff, and students took part in this event.

Entrepreneurship Development Cell – EDC

The PACE Institute of Technology and Sciences presented a conference on the Entrepreneurial Acceleration Programme on October 5, 2023. Dr. INV Siva Kiran Makam, CEO of the Sri Krishna Devaraya University Atal Incubation, spoke about how to start a business. He discussed the activities that must be completed as well as the best ways to capitalise on the numerous business strategies now in place in the country. Following the event, Dr. Maddisetty Sridhar, college secretary and correspondent, and Dr. GVK Murthy, principal, felicitated the CEO. Dr. R. Veeranjanyulu, director of students' affairs; Dr. Venkateswara Rao, Incumbency in charge; and Dr. Elia, EDC coordinator, staff, and students took part.

Dr. Maddisetty Sridhar felicitating Dr. INV Siva Kiran Makam

Magnum Opus Alumni Reunion At PACE – PACER 2K23

PACE Institute of Technology and Sciences has set October 7, 2023, as the date for a Magnum opus **Alumni Reunion**. Between 2011 and 2023, about 800 students studied B.Tech, M.Tech, MBA, and diploma courses at PACE and went on to work in a variety of fields and professions. At the **homecoming event**, they treated each other with affection and reminisced about their college memories and sweet moments. As the chief guest, secretary and correspondent Dr. Maddisetty Sridhar praised the students who studied at the college, found jobs, and became beneficiaries of their families and society. Principal Dr. GVK Murthy, event organizer and dean of Training and Placements Ms. K. Roopa Akkesh, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, AO, Mr. M. Ramana Babu, all department heads, staff, and former students in addition to current students were in attendance in this wonderful event.

COMPUTER SCIENCE ENGINEERING

Departmental Activities – A Workshop

A one-week hands-on workshop on **"DEV-APPS with Azure Microsoft and GIT and GIT-Hub Tool"** was held at PACE Institute of Technology & Sciences in Association with the ACM Student Chapter for second-year students from October 9 to October 14, 2023, and was led by a CSE resource person, Mr. Y. Akhil, Chief Executive Officer, Cloud Technologies, Hyderabad, who addressed the students. The programme was overseen by Dr. Suresh Dara, Professor and HOD, Computer Science Engineering; co-convener Mr. S. Giribabu, Associate Professor; coordinators Dr. P. Hussain Basha, associate professor; and Mr. B. Vamsi Krishna, assistant professor. Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, AO, Mr. M. Ramana Babu, staff and students took part in this workshop.

Interaction between students and the resource person

A Workshop

From October 10 to 12, 2023, a workshop on '**Student Enablement Programme on Introduction to Artificial Intelligence**' was held by **Infosys Springboard** for students at PACE Institute of Technology and Sciences. Ms. Girija TR, a Bangalore Infosys senior analyst, was present and talked as a resource person. She shared her knowledge on technological topics such as artificial intelligence, natural language processing, and deep learning. Following the completion of the exam, the students were awarded certificates. He stated that these certificates help pupils greatly with job chances. Dr. Maddisetty Sridhar, college secretary and correspondent, and principal Dr. GVK Murthy remarked that students are urged to take advantage of the benefits of the conferences Girija is holding. Director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, Dr. Dara Suresh, associate professor Mr. S. Giri Babu, and the programme were coordinated by Assistant Professors Mr. D. Janardhan Reddy and Ms. Satya Salini. Infosys Springboard SPOC, Ms. K. Swarnalatha.

A Workshop

PACE Institute of Technology & Sciences provided a one-week hands-on workshop in association with the ACM Student Chapter for third-year students on "**Android Application Development**" from October 16 to October 21, 2023. Mr. Y. Akhil, Chief Executive Officer of Cloud Technologies in Hyderabad, addressed the changes in the technology sector and potentialities in the software field. Dr. Suresh Dara, Professor and Head of the Department of Computer Science Engineering; co-convener Mr. S. Giribabu, Associate Professor; coordinators Dr. E.V.N. Jyothi, Associate Professor; and Ms. S. Suneetha, Assistant Professor, oversaw the event. Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, AO, Mr. M. Ramana Babu, staff, and students took part in this workshop.

Faculty Achievements

Dr. Endluri Venkata Naga Jyothi and Dr. Kanakam Siva Ram Prasad from PACE Institute of Technology & Sciences participated in a one-week **International Level Faculty Development Programme** (Virtual Mode) at Dr. Pulla Reddy Engineering College (Autonomous) Kurnool from October 9–14, 2023, organised by the Department of Electrical and Electronics Engineering, the Department of Emerging Technologies in Computer Science, the Department of Electronics & Communications Engineering, and the NI LabVIEW Academy.

COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

An Awareness Seminar on Cloud Computing

On October 6, 2023, students studying CSIT at PACE Institute of Technology and Sciences attended a seminar on cloud computing. The keynote speaker at the event was Mr. Vamsikrishna Meduri from Cloud Lead-Tech Mahendra-Germany Company. He discussed the **Importance of Cloud** and claimed that those who are knowledgeable about contemporary cloud technologies will have better pay and employment prospects. Dr. Maddisetty Sridhar, college secretary and correspondent, stated that there are excellent career chances in cloud technology businesses and that students need to grasp the cloud appropriately. Participants included the principal, Dr. GVK Murthy; director of students' affairs, Dr. R. Veeranjanyulu; dean of academics, Dr. M. Appa Rao; associate professor and head of CS&IT, Mr. N. Srinivasa Rao; co-convener, Ms. Y. Anusha; coordinators, Ms. B. Rajeswari and Ms. N. Sirisha; staff, and students.

A Guest Lecture on GFS & HFS

Dr. B. Madhava Rao, an associate professor at SMEC (autonomous), JNTUH Secunderabad, gave a guest lecture on **GFS and HFS** to the final-year students in the Computer Science and Information Technology department on October 9, 2023. College secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, associate professor and head of CSIT and convener Mr. N. Srinivasa Rao, co-convener Ms. Y. Anusha, coordinators Ms. N. Sirisha and Mr. VGS Abhishikth, and students participated.

A Seminar

On October 16, 2023, at the APCE Institute of Technology and Sciences, a seminar on "**Enhance Your Employability Skills**" was presented by the department of Computer Science and Information Technology. Professor M. Janakiram, a design thinker and innovation ambassador, opined that there is no issue with employment; the issue is with employability. According to national statistics, 50% of students lack employability skills such as effective communication, critical thinking, digital literacy, teamwork, and so forth. The conference was directed by Dr. K. Sivarama Prasad and Dr. K. Vijaya Bhaskar, who also served as co-conveners. The event was attended by principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, AO Mr. M. Ramana Babu, and others.

ELECTRONICS AND COMMUNICATION ENGINEERING

Departmental Activities

A workshop on "IOT" by Dr. S. V. Naresh and Team Managing Director of NT&CS Guntur was conducted by the Department of Electronics and Communication Engineering from April 23 to October 10, 2023. The session was directed by the dean of academics and head of the department of Electronics and Communication Engineering, Dr. M. Appa Rao, and coordinated by Mr. R. Koteswara Rao. Staff and students actively participated in this workshop.

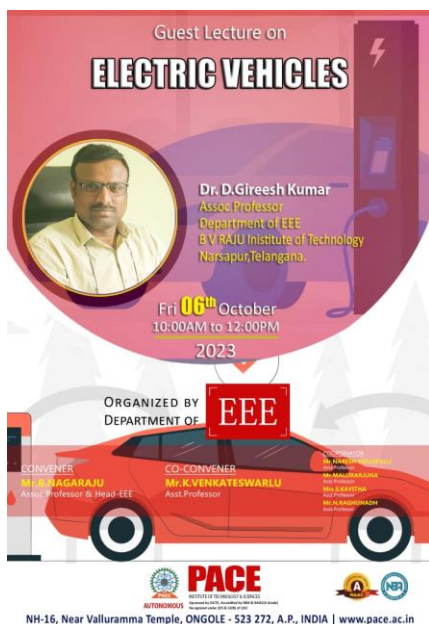

ELECTRICAL AND ELECTRONICS ENGINEERING

A Guest Lecture

The Department of Electrical and Electronics Engineering hosted a guest lecture on **Electric Vehicles** on October 6, 2023. Dr. D. Gireesh Kumar, an associate professor from the department of EEE at B.V. Raju Institute of Technology Narsapur in Telangana, spoke to the students. He discussed how the electric automotive sector in India has grown in recent years and how, by 2030; India expects more than 30% of all automobiles to be electric or hybrid vehicles. According to the Indian Ministry of Skill Development and Entrepreneurship (MSDE), the electric automotive industry will generate a large number of jobs in India over the next ten years. Dr. Maddisetty Sridhar, college secretary and correspondent, principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjaneeyulu, dean of academics Dr. M Appa Rao, associate professor and head of Electrical and Electronics Engineering Dr. B. Naga Raju, and Mr. K. Venkateswarlu participated in this

workshop. Mr. Kollepalli Naresh, Mr. Mallikarjuna, Ms. S. Kavitha, and Mr. N. Raghunadh convened the programme.

A Workshop

During a workshop for second-year Electrical and Electronics Engineering students at the PACE Institute of Technology and Sciences, Managing Director of SV Technologies, Mr. B. Venkata Sumanth, emphasized the importance of developing engineering skills in line with current technology. Mr. Sumanth served as the chief guest at the five-day **PCB Design** workshop, which lasted from October 15 to 19, 2023. The workshop, attended by college secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, Head of Electrical and Electronics Engineering Department Dr. B Nagaraju, coordinators Mr. K Sowjan Kumar and Mr. M. Mallikarjuna, teaching staff, and students, aimed to highlight the significance of PCB design in the present.

Students' Achievements

Five EEE final-year students were selected for Crystal Power Controllers, Vijayawada, with a yearly salary of 3 lakh rupees. Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, and head of the department of Electrical and Electronics Engineering Dr. B. Nagaraju all appreciated the students.

Dr. Maddisetty Sridhar congratulating the selected d students

18 final-year EEE students were chosen for internships at Crystal Power Controllers in Vijayawada. Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, and head of the department of Electrical and Electronics Engineering Dr. B. Nagaraju all appreciated the students.

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE & MACHINE LEARNING

A Workshop

The poster features a stylized blue and green profile of a human head on the left, filled with circuitry and data lines. The main text on the right reads: 'INNOVATIVE APPLICATIONS IN ARTIFICIAL INTELLIGENCE WORKSHOP' in large, bold letters. Below this, it says 'DATAPOINT INFO SOLUTIONS' with a logo. Further down, it mentions '2-DAYS Workshop on Innovative Applications in ARTIFICIAL INTELLIGENCE' and 'Oct-06th & 07th | MECHANICAL SEMINAR HALL'. The phrase 'Learn LIKE a PRO' is written in a playful font. At the bottom, it says 'Organised By Department of AI&DS AI&ML' and 'PACE INSTITUTE OF TECHNOLOGY & SCIENCES AUTONOMOUS'. Logos for 'INSTITUTION'S INNOVATION COUNCIL' and 'PACE' are also present.

The department of Artificial Intelligence and Data Science, in collaboration with Artificial Intelligence and Machine Learning, organised a workshop on '**Innovative Applications in Artificial Intelligence**' at the PACE Institute of Technology and Sciences between October 6 and October 7, 2023. Mr. Dulu Sabrinath and Mr. Amir Shaikh of Data Point Info Solutions from Hyderabad spoke to students about creative applications of intelligence on this occasion. This session drew 240 second-

year engineering students. Later, the secretary and correspondent, Dr. Maddisetty Sridhar, stated that such seminars are extremely beneficial to the pupils' future. The event was attended by Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, AO Mr. M. Ramana Babu, Dr. Sudhir, and others.

MoU between Chennai ICT Academy and PACE

A Memorandum of Understanding (MoU) between the ICT Academy of Chennai and the PACE Institute of Technology and Sciences enables teachers and students to access a variety of applications, internships, and recognized courses. Mr. Ramakrishna, the regional representative of the ICT Academy from Chennai, attended the agreement, which will be in effect for a year. College Secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, Ms. Sheikh Heena Kousar, and Dr. K. Sudhir Chakraborty, head of Artificial Intelligence and Data Science, department of AI & DS, were present for the agreement.

ICT Academy officials with Dr. Maddisetty Sridhar

INFORMATION TECHNOLOGY AND CSE (IOT&CSBT)

Skill Oriented Course - Joy of Computing Using Python

From October 16, 2023, to October 20, 2023, the Department of Information Technology, CSE IT, and CSB collaborated to host a virtual workshop titled **"Joy of Computing Using Python Work Shop"** for third-year IT students. On this occasion, students heard from Mr. Dulu Sabrinath and Mr. Amir Shaikh of Data Point Info Solutions in Hyderabad about the joys of computing with Python. Ms. G. Aruna and Mr. K. Manohar Rao from the IT department coordinated the event. Mr. N. Murali Krishna oversaw this virtual workshop along with Dr. A. Seshagiri Rao, head of the department of Information Technology.

Student's Achievements

On October 14, 2023, at the PACE Institute of Technology and Sciences in Ongole, a Women Empowerment Cell organised a debate on the Women Reservation Bill. Effectively, R. Ysaswini II CSE (IOT & CSBT) took part in it.

CIVIL ENGINEERING

The Department of Civil Engineering hosted an add-on course on "**Sketch Up**" for final-year students from September 11 to October 3, 2023. It was taught by S. Prasanna Kumar, Managing Director from the Engineering CAD Training Centre in Vijayawada, and it was overseen by Dr. G. Ganesh Naidu, head of the department of Civil Engineering.

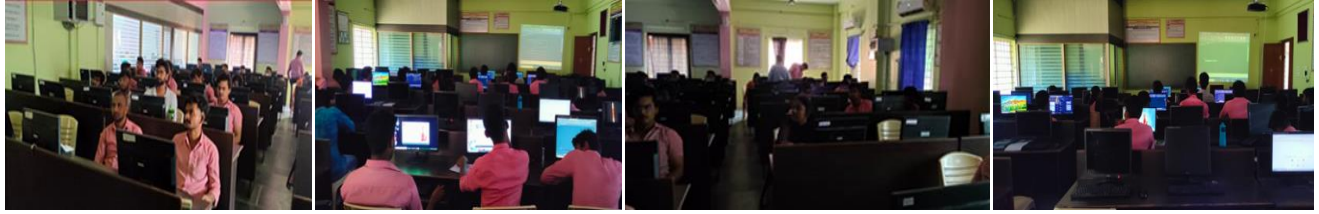

The Department of Civil Engineering organised an add-on course in "**AutoCAD**" for second-year students from October 9-16, 2023, led by Mr. Avinash and Mr. P. Siva Trainers from **Learnet Skills Limited**, Vijayawada, and monitored by Dr. G. Ganesh Naidu, head of the department of Civil Engineering.

MECHANICAL ENGINEERING

Departmental Achievements

From October 10 to October 11, 2023, the Department of Mechanical Engineering hosted a one-week add-on course on "**ANSYS**" for final-year students taught by Mr. Marthala Venkata Karthik, a CADD trainer at Assistive InfoTech. Private Limited, Nellore. A total of 62 students attended.

Faculty Achievements

- Three faculty members from PACE, Mallikarjunachari G., Mr. V. Siva Prasad, and Mr. N. Vijay Kumar, attended a one-week faculty development programme (FDP) on "**ANSYS**" that was organised by Assistive InfoTech Private Limited, Nellore, between October 5 and October 11, 2023.
- On September 20–26, 2023, Mr. V. Siva Prasad, Mr. P. Kiran Babu, and Mr. N. Vijay Kumar participated in a one-week FDP on "**CREO**" that was arranged by Assistive InfoTech Private Limited, Nellore.
- During the week of September 27, 2023, to October 4, 2023, Mr. P. Kiran Babu, Mr. N. Vijay Kumar, and Mr. K. Sreenivasa Rao participated in a one-week FDP on "**AUTO CAD**," which was arranged by Assistive InfoTech Private Limited, Nellore.
- On September 20, 2023, PSG College of Technology, Coimbatore, India, and the University of New South Wales, Canberra, Australia, in association with ISTE, organised the event "**Composite Materials for Ballistic Protection**," in which Dr. Mallikarjunachari G, Associate Professor, Assistant Professors Dr. Gudimetla Kondaiah, Dr. Jayabihulla Shariff Md, Mr. G.E. Babu, and Mr. Yarram Srinivasa Reddy took part.

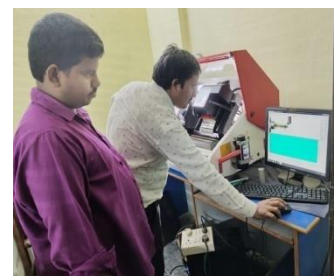

Students' Achievements

- Forty nine second year mechanical engineering students have successfully completed the skill-oriented training on "**Auto Cad**" organised by Assistive InfoTech Private Limited, Nellore, during the period of September 27th, 2023, to October 4th, 2023.
- Sixty-one third-year mechanical engineering students have successfully completed the skill-oriented training on "**CREO**" organised by Assistive InfoTech Private Limited, Nellore, during the period of September 2023 to September 26, 2023.

- Sixty-three PACE Institute of Technology and Sciences final-year mechanical engineering students have successfully completed the skill-oriented training on "**ANSYS**" conducted by Assistive InfoTech. Private Limited, Nellore, between October 5, 2023, and October 11, 2023.
- On September 27, 2023, eleven second-year mechanical engineering students effectively finished the **QCAD** test, which was conducted by PACE Institute of Technology & Sciences in collaboration with IIT Bombay.
- Nineteen third-year mechanical engineering students have effectively finished the Advanced **CPP** programme, which was held on September 25, 2023, at PACE Institute of Technology & Sciences in collaboration with IIT Bombay.
- On September 26, 2023, PACE Institute of Technology & Sciences, in collaboration with IIT Bombay, hosted **Linux AWK**, which twelve final-year mechanical students successfully completed.

A Workshop

	<p>On October 28, 2023, the mechanical engineering department hosted a one-day workshop on "Hands-on Experience on CNC Machine," during which students engaged with Mr. J. Ajay, a professor and the head of the Layola Institute of Technology and Management [LITAM]. Associates Professor Dr. G. Kondaiah, Mr. N. Vijaya Kumar, and HoD Dr. G. Mallikarjunachari monitored it. Dr. GVK Murthy, the principal of the college, Dr. R. Veeranjanyulu, the director of students' affairs, Dr. M. Appa Rao, the dean of academics, as well as staff and students, attended the occasion.</p>

HUMANITIES & SCIENCES

Book Published

Dr. Brahman Pasumarthi published a book titled "**Emerging Trends and Technologies in Life Sciences**" with the ISBN 978-93-93636-03-4 in 2023 at Integrity Media Publishers in New Delhi.

Papers Published

Maths

Exact solution of an unsteady buoyancy force effects on mhd free convective boundary layer flow of non-Newtonian Jeffrey fluid, *I-Manager's Journal on Physical Sciences*, 2:1(12–19) by Mr. Rama Mohan, Mr. B. Ramana, and Mr. N. Maheshbabu, was published in *I-Manager's Journal on Physical Sciences*, 2:1(12-19).

Book Chapters Published

Dr. Brahman Pasumarthi published a book chapter titled "Cytomegalovirus (CMV) Differential Diagnoses" under the ISBN 978-93-93636-03-4. Integrity Media Publishers, July 2023, New Delhi

Best Paper Award

On October 19 and 20, 2023, Dr. Brahman Pasumarthi took part in a national seminar on "Challenges of Working Women in the Pandemic Situation of COVID-19 in India" and "**Women in Decision-Making Roles in the Corporate World**," which was hosted by the Department of Commerce at Pondicherry University Community College.

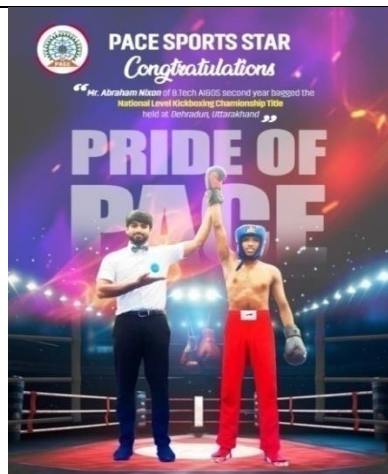

Chemistry

The Journal of Advances in Medicine and Medical Research awards a certificate of gratitude to Dr. Rafi Syed, an assistant professor of chemistry at PACE Institute of Technology and Sciences, for his contributions to upholding the journal's strict peer review standards on October 28, 2023. College secretary and correspondent Dr. Maddisetty Sridhar, principal Dr. GVK Murthy, director of student affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, head of the department of humanities and sciences, and Mr. Ravindra appreciated Dr. Rafi.

MASTER OF BUSINESS ADMINISTRATION

The Eight-Day National Faculty Development Programme on '**Case-Based Learning, Writing, and Publication**' was held by the Department of Management Studies at VFSTR, Deemed to be University, Vadlamudi, Guntur District, from September 23 to October 2, 2023. Associate Professors Dr. T. Mary Jones, Dr. Elia Thagaram, and Assistant Professor Mr. M. Janaki Ram participated in the programme.

PHYSICAL EDUCATION

Dr. Maddisetty Sridhar congratulated Abraham Nixon, a PACE Institute of Technology and Sciences student, on winning a gold medal in the 60 kg category at a **National Level Kickboxing Competition** in Dehradun, Uttarakhand. Principal Dr. GVK Murthy, dean of student's affairs Dr. R. Veeranjanyulu, Dean of Training and Placements Ms. K. Roopa Akkesh, Dean of Academics Dr. M. Appa Rao, AP Kickboxing Secretary Mr. Vishnuvardhan, AO Mr. M. Ramana Babu, head of AIDS department Dr. Sudhir Chakraborty, Mr. I. Madhusudhana Rao, and team of the Department of Physical Education and others appreciated Nixon.

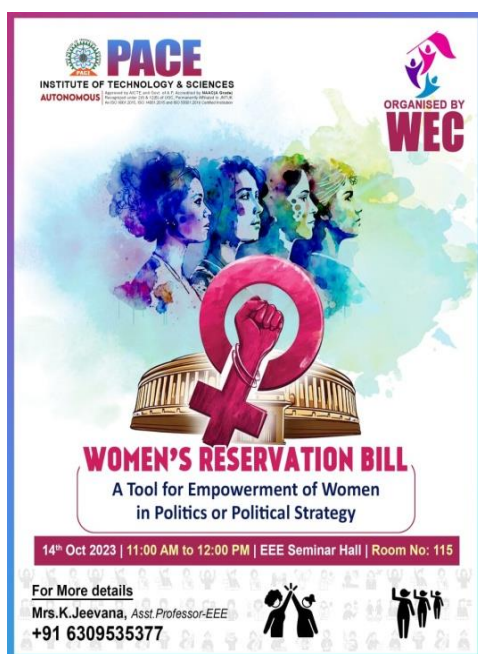

Dr. Maddisetty Sridhar and other officials' moment to congratulate Nixon

PACE Students to State Level Competitions

Azeesh Vali, a first-year Computer Science Engineering student, and G. Dinesh Teja, a second-year Electrical and Electronics Engineering student, were selected to compete in the **state-level handball** competition in Kadapa. College Secretary and Correspondent Dr. Maddisetty Sridhar; Principal Dr. GVK Murthy, director of students' affairs; Dr. R. Veeranjanyulu, dean of training and placements Ms. K. Roopa Akkesh, dean of academics Dr. M. Appa Rao, AO Mr. M. Ramana Babu, PD Mr. I. Madhusudhana Rao, and the Department of Physical Education team, among others, praised these youngsters.

WOMEN EMPOWERMENT CELL

Under the auspices of the Women's Empowerment Cell of the PACE Institute of Technology and Sciences, a discussion on the "**Women's Reservation Bill**" was held. As part of this topic, the students discussed "A Tool for Women's Empowerment in Politics or a Political Strategy", in which they reviewed the numerous issues confronting women in the country and abroad, various modifications, and the manner in which women are rising politically. In this programme, certificates of appreciation were given to the debate winners. Participating in this event were college secretary and correspondent Dr. Maddisetty Sridhar, Principal G.V.K. Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, dean of Training and Placements Ms. K. Roopa Akkesh A.O. Mr. M. Ramana Babu, the Women Empowerment Cell coordinator Ms. N. Vaishnavi, the women staff, and students of the college.

NSS & INSTITUTIONAL SOCIAL RESPONSIBILITY CELL

Grand Amrit Kalash Yatra in PACE

The PACE Institute of Technology and Sciences held the **Amrit Kalash Yatra**, a rally initiated by the Indian Ministry of Youth Affairs and Sports. The event involved college staff and students marching through Vallur village, shouting slogans like "Mera Desh, Mera Matti." The Azadi Ka Amrit Mahotsav Memorial will be built at Kartavyapath India Gate, New Delhi, to honor the 75th anniversary of Indian independence and remember the valour of those who fought for the country. Residents of Vallur village donated soil and grains to Amrit collections, which will be given to the Ministry of Youth Sports by JNTU and the NSS unit. The college's secretary and correspondent, Dr. Maddisetty Sridhar, appreciated the coordinators of the Institutional Responsibility Cell and NSS Units and the faculty and students who staged the rally. Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, and heads of all departments were present. Dr. M. Mallikarjuna Rao, coordinator of institutional social responsibility cell, oversaw the event.

Fit India Swachhta Run 4.0 At PACE

The Fit India Clean Run 4.0 initiative was introduced at the PACE Institute of Technology and Sciences by the Ministry of Human Resource Development, UGC. Staff and students from the college walked 10 kilometers as part of **Fit India** on October 6, 2023. Walking, according to the college secretary and correspondent, Dr. Maddisetty Sridhar, should be part of our daily routine because it not only protects our health and builds strength, but it also relieves mental stress. College principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, AO Mr. M. Ramana Babu, Polytechnic college principal Mr. G. Kotireddy, NSS coordinator Dr. M. Mallikarjuna Rao, NCC coordinator Lt. Prudhvi, and Physical Education director Mr. I. Madhusudhana Rao all attended and made it a success. NCC, NSS Unit-1, and the Department of Physical Education organised this event.

FIT INDIA SWACHHATA RUN 4.0

Congratulations to
PACE INSTITUTE OF TECHNOLOGY & SCIENCES

For Successfully Organising The Fit India Swachhata Run

From 1st October 2023 To 31st October 2023

www.fitindia.gov.in

POLICE COMMEMORATION DAY

POLICE COMMEMORATION DAY

21st OCTOBER

2021

National Police Commemoration Day, celebrated annually on October 21, honours police officers who have sacrificed their lives for the protection of citizens and law enforcement. Martyr's Day is observed by all police forces across India. A blood donation camp was organised at the District Police Office, Ongole, to commemorate police martyrs. Prakasam district superintendent of police, Ms. Malika Garg, praised the 60 students of the PACE Institute of Technology and Sciences and emphasized that donating blood is equivalent to donating life. The event was organised by NSS Unit-I, NCC, and the Institutional Social Responsibility Cell on behalf of the PACE Institute of Technology and Sciences. College secretary and correspondent Dr. Maddisetty Sridhar, principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, dean of training and placements Ms. K. Roopa Akkesh, and heads of all the departments and staff expressed their appreciation for the students. Participants included ISR coordinator Dr. M. Mallikarjuna Rao, Associate NCC Officer Lt. Prudhvi Krishna, assistant professor Ms. Annapurna, assistant professor Mr. Nasaraiah, Dr. P. B. Manasseh, medical officer; Ms. Sudha Gade, blood bank counselor; and Mr. G. Mohan Reddy, a technical supervisor from the government hospital, Ongole.

Merit Scholarships

Computer Science engineering third-year students Gnana Prasuna Kavyasri Perumlla and Shalima Shaik were chosen to receive **ONGC Merit Scholarships** worth Rs. 48,000 annually for the academic year 2021–2022. College secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, head of the department of computer science engineering Dr. Dara Suresh, and Mr. K. Sowjan Kumar all expressed their appreciation for the students.

Dussehra Celebrations at PACE

Dussehra is a significant Hindu festival celebrated across the country to commemorate Lord Rama's victory over Lanka's demon king Ravana. Under the direction of Ms. Vaishnavi, coordinator of the Women Empowerment cell, PACE celebrated with cultural festivities. The event was attended by college officials, including the secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, dean training and placements Ms. K. Roopa Akkesh all the heads of departments staff and students.

LITERARY AND HOBBY CLUB

"Mock the Press" was a literary club event held in the EEE seminar hall on October 26, 2023, organised by the PACE Literary and Hobby Club. Assistant professors Mr. M. Janaki Ram, Mr. Ratna Raju Chegudi, and Mr. K. V. Siva Reddy oversaw its coordination. Dr. GVK Murthy, the principal of the college, Dr. R. Veeranjanyulu, the director of students' affairs, Dr. M. Appa Rao, the dean of academics, as well as staff and students, attended the occasion.

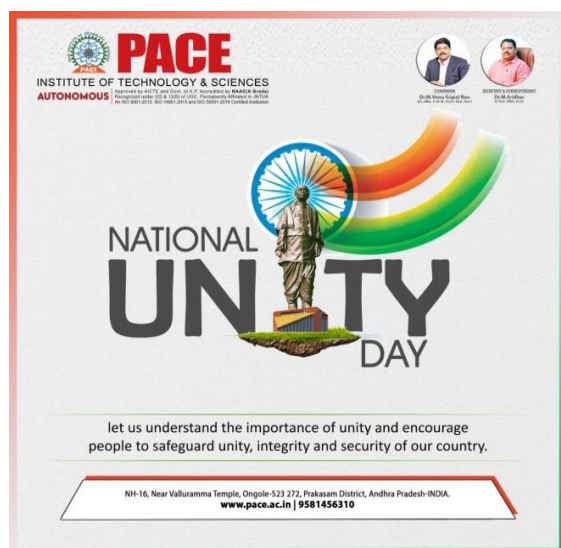

NCC (NATIONAL CADET CORPS)

Swachhta Ki Seva Program Cleans up Valluru Village

The PACE Institute of Technology and Sciences organized a "**Swachhta Ki Seva**" initiative to contribute to the **Clean India Campaign**. The 34 A (Bn) National Cadet Corps (NCC) unit, led by Lt. Amburi Prudhvi Krishna and Subedar Major Puspa Raj, aimed to transform Valluru Village, a village near the institute, by addressing cleanliness and waste management issues. The NCC cadets, equipped with brooms, shovels, and enthusiasm, meticulously cleaned streets, parks, and public spaces, ensuring a cleaner environment. The initiative emphasized community service and the role of NCC cadets in nation-building. The villagers expressed gratitude for the initiative and the positive impact it would have on their daily lives and village development. The event was attended by various officials, including the college secretary and correspondent, Dr. Maddisetty Sridhar, principal, Dr. G.V.K. Murthy, director of students' affairs, Dr. R. Veeranjanyulu, Dean of Research and Development, Dr. Chaitanya, administration officer, Mr. M. Ramana Babu, associate NCC officer Lt. Prudhvi Krishna Amburi, and physical director Mr. I. Madhusudan Rao.

NATIONAL UNITY DAY

India commemorates National Unity Day on October 31 to honor veteran freedom fighter Sardar Vallabhbhai Patel, who played a significant role in convincing princely states to join the Union of India after Independence. The event aims to remember Patel's extraordinary contributions to the country and his efforts in maintaining unity. The event includes a tribute from various officials, including college secretary and correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, director of students' affairs Dr. R. Veeranjanyulu, dean of academics Dr. M. Appa Rao, and dean of training and placements Ms. K. Roopa Akkesh. The event was conducted by NSS and NCC Units
