### **DEPARTMENT OF CIVIL ENGINEERING**

#### **THE INDIAN GREEN BUILDING COUNCIL (IGBC)**

The Indian Green Building Council (IGBC), part of the Confederation of Indian Industry (CII) was formed in the year 2001. The vision of the council is, "To enable a sustainable built environment for all and facilitate India to be one of the global leaders in the sustainable built environment by 2025". The department of Civil Engineering, PACE Institute of Technology & Sciences is an active member of IGBC. The Indian Green Building Council (IGBC) established student chapter with the department of Civil Engineering, PACE Institute of Technology & Sciences from 2018. The faculty members and students are actively involved in conducting and attending professional events to enhance the skills.
