CGC Policy

About the Institution:

Pace Institute of Technology and Sciences (PACE ITS), was established Under the Srinivasa Education Society by the founders Dr. M Venugopal Rao, Chairman, and Dr. M Sridhar, Secretary & Correspondent, in 2007 at Valluru village near Ongole. It has been running successfully since the academic year 2008-09. The management has pioneered the programs such as B.Tech, M.Tech, and MBA.

Vision of the Institution:

Our vision is to impart futuristic technical education transforming the students technically superior, ethically strong and self-disciplined to serve the nation as a valuable resource.

Mission of the Institution:

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities.
- To enrich the intellectual know-how, credibility and integrity of the students to necessitate industry.
- To recognize as scholarly and influential leaders in engineering education, and to develop human power with creativity, advanced technology and passion for the betterment of future nation.

About the Career Guidance Cell:

Career guidance Cell helps the students to understand their strengths and weaknesses and then match them with their skills and interest so that they may get the best suitable career choice. One wrong choice can not only costs a lot of money but also a waste of precious time Therefore; The CGC provides commendable services to students in various spheres of career. It provides updated information about varied opportunities and aids students in getting their dream job. The Career Guidance Cell can help the students effectively in the career choice part, and matched with hard work, determination and perseverance can ensure a smooth path towards one's dreams.
