## **Institution Social Responsibility Policy**

### **About the Institution:**

Pace Institute of Technology and Sciences (PACE ITS), was established Under the Srinivasa Education Society by the founders Dr. M Venugopal Rao, Chairman, and Dr. M Sridhar, Secretary & Correspondent, in 2007 at Valluru village near Ongole. It has been running successfully since the academic year 2008-09. The management has pioneered the programs such as B.Tech, M.Tech, and MBA.

### **Vision of the Institution:**

Our vision is to impart futuristic technical education transforming the students technically superior, ethically strong and self-disciplined to serve the nation as a valuable resource.

### **Mission of the Institution:**

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities.
- To enrich the intellectual know-how, credibility and integrity of the students to necessitate industry.
- To recognize as scholarly and influential leaders in engineering education, and to develop human power with creativity, advanced technology and passion for the betterment of future nation.

### **About the Institute Social Responsible (ISR)**

The PACE Institute of Technology & Sciences (PACEITS) is becoming more receptive to community-based development projects as a result of its fervent commitment to social responsibility. Being proactive agents of social change is not only prioritized strategically but is also recognized as a vital responsibility in Indian society. Sensitization of students and staff is the key agenda behind any of our social initiatives and we are committed to being a socially responsible group of educational institutions.

**The Vision of Institute Social Responsible Cell:** To become a center of Excellence that fosters an ecosystem to promote engagement, innovation, and research leading to sustainable socio-economic development in the community.

### **The Objectives of Institute Social Responsible Cell:**

- To inspire faculty and students to become innovators and change makers who promote sustainable living and development in the community.
- To facilitate reciprocal partnerships with rural communities through community-based learning experiences designed to identify and solve real-time problems.
- To provide students with service-learning experiences in collaboration with non-profit organizations to develop student-driven innovations aimed to achieve the UN's Sustainable Development Goals.
- To undertake research projects in partnership with local communities through community-based participatory research methods.

### **Committee formation:**

1. Principal as chairman
2. One senior faculty as Convener
3. 4-10 faculty as coordinators

### **Function and activities of Committee:**

- Initiating Sapling Plantation.
