Department of Training & Placements

About T&P

PACE has an independent Department of Training and Placement Cell, committed to provide all possible assistance to its students and also to meet the needs of organizations. Visionary Management has taken a right decision in right time to establish a separate Training and Placement Department since the inception of the college.

The Training & Placement Cell is instituted at PACE to train and groom students into industry ready professionals. All the students are being offered with customized, company specific training programs with the target of placing more number of students in MNC's with higher pay packages. The cell executes regular career guidance activities by reputed speakers and resource persons from industry, to provide a strong foundation for building their own careers. The interactions with experts from industry make them more confident and self reliant to build their own colorful lives.

Vision

To bridge the gap between candidate skills and industry need by producing competent resources equipped with personality development and campus recruitment training along with professional etiquette to thrive in their career

Mission

Strive to provide best placements for all the eligible students by inviting recruitment teams of different corporate sector.

By imparting explicit training modules according to company's prospects.

By conducting Hackathons, Internships, Workshops, Seminars and industry interactions. Further, industry visits are arranged to provide industry exposure to students.
