M.Tech., MBA., D.Litt

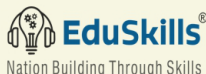

PACE Institute of Technology & Sciences, Ongole, was established with a vision and a mission to develop it as an incubator of innovation and knowledge-creation in the field of technology under Srinivasa Educational Society at Vallur Village, Ongole in the academic year 2008-2009.

PACE is a premiere Technology Campus that has over 15 years of glorious history is fully geared up to change the future of engineering education. PACE, a part of multi-million dollar group with exceptionally talented young students across the nation and around the world is striving to transform the budding minds from scholarship to leadership.

Autonomous Benefits

- Choice -based credit system
- Industry oriented syllabus
- Industry-sponsored laboratories and centres of excellence
- Promotion of research in relevant fields
- Better subject choice and electives
- A flexible and student-centered approach
- Strong placement tie-ups
- Practical and industry-centric approach
