ABOUT PACE

PACE Institute of Technology and Sciences (PACE ITS), was established under the Srinivasa Education Society in 2008 at Valluru village near Ongole by the founders Dr. M. Venugopal Rao, Chairman, and Dr. M. Sridhar, Secretary and Correspondent.

It started with a humble beginning with a modest strength of 240 students and has been running successfully since the academic year 2008-2009. PACE, ever since has been flourishing from the minimum strength to the immense student strength in the stewardship of enlightened management. The institute has obtained a place of pride and become a pioneer in imparting higher education in the rural domain.

The management has initiated programs such as B.Tech, M.Tech, MBA, and Diploma.

VISION

Our vision is to impart futuristic technical education to transform the students into technically superior, ethically strong, and self-disciplined to serve the nation as a valuable resource.

MISSION

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities.
- To enrich the intellectual know-how, credibility, and integrity of the students to necessitate industry.
- To recognize as scholarly and influential leaders in engineering education and to develop human power with creativity and passion for the advancement of future nations.

AWARDS & ACCOLADES

CHAIRMAN'S MESSAGE

Dr. MADDISETTY VENUGOPAL RAO
Chairman

Congratulations on reaching this significant milestone in your journey! Your hard work and dedication have paid off, and we are thrilled to celebrate your achievements on this special day.

As you embark on the next chapter of your lives, remember the invaluable lessons learned and the friendships made during your time at PACE Institute of Technology and Sciences. Carry these memories with you as you pursue your dreams and make your mark on the world.

On behalf of everyone at PACE, I extend our heartfelt wishes for a bright and successful future. May your paths be filled with joy, fulfillment, and endless opportunities

I extend my best wishes to all the graduates for a future filled with brightness and success. Congratulations once again, graduates! We are incredibly proud of you.

VICE CHAIRMAN'S MESSAGE

Congratulations to the gifted students receiving degrees on this esteemed occasion! As they embark on their journey of knowledge, let them channel their focus towards creative and constructive contributions to society. May they uphold integrity in their professions, righteousness in their social interactions, and dedication in their pursuit of further learning.

Wishing all the graduates heartfelt congratulations and the very best as they celebrate this momentous achievement!

As we celebrate this moment of joy and achievement, I extend my heartfelt congratulations and best wishes to all the graduates.

Dr. MADDISETTY VASU BABU
Vice-Chairman

SECRETARY & CORRESPONDENT'S MESSAGE

Dr. MADDISETTY SRIDHAR
Secretary & Correspondent

Graduation Day marks a significant milestone, honoring the new graduates and postgraduates as they step into the next phase of their lives. It serves as a reminder of their duty to contribute positively to society as they enter public life. PACE remains steadfast in its mission to equip aspiring engineers with the necessary skills and knowledge to tackle the evolving challenges and opportunities in technology.

To all the students receiving degrees on this auspicious occasion, I extend my heartfelt congratulations and best wishes for success in all their future endeavors.

PRINCIPAL'S MESSAGE

Dr. G.V.K.MURTHY
Principal

It brings me great joy to present this Souvenir to the graduates, drafted for the occasion of the second Graduation Ceremony of both undergraduate and postgraduate programs. Those receiving certificates have journeyed through our autonomous program with utmost dedication, surely feeling a profound sense of fulfillment and accomplishment as they bid farewell to our institution.

PACE Institute of Technology and Sciences, established in 2008 as a flagship institute of the PACE Group, has evolved significantly over the past decade and a half. From its inception, the college has undergone transformative phases, surmounting challenges and consistently reinventing itself to emerge as a premier destination for higher education.

Our commitment to providing exceptional facilities and a nurturing environment remains unwavering. We aim to empower young minds to excel in various domains and make meaningful contributions to their respective fields upon graduation.

Our alumni, dispersed worldwide, continue to bring honor to the institution through their remarkable achievements in diverse professions.

I extend heartfelt gratitude to the management of PACE for their unwavering support and encouragement. My sincere appreciation also goes to the dedicated faculty and staff of the institute for their tireless efforts.

Congratulations to all the graduates on successfully completing their degree. I urge you to uphold the values and integrity of your profession with pride. Finally, I extend my best wishes for your health, happiness, and success in all your future endeavors.

Best of luck to each and every one of you.

CHIEF GUEST

Dr. Augustus G. S. Azariah,
Director-HR, Kyndryl

Dr. Augustus G. S. Azariah, fondly known as Augie, brings over 25 years of expertise to his role as the Regional HR Director for the Asia Pacific, Middle East, and Africa at Kyndryl, a major software company that emerged from IBM with a valuation of 50,000 crore. Throughout his career, Dr. Azariah has been at the forefront of shaping public policy, particularly in labor law simplification. His pivotal work on the Unified Labor Code—a white paper presented to the Government of India in 2008—has been instrumental in driving reforms that aim to streamline regulations, boost foreign investment, and create more jobs in India, laying the groundwork for the new Labor Codes.

Previously holding several key positions in IBM India's Human Resources, his expertise spans Business HR, Staffing, Leadership Development, Succession Planning, and overseeing Mergers, Divestments, and Acquisitions. Dr. Azariah is a leading advocate for the Future of Work and the digital overhaul of HR practices, establishing him as a premier thinker in People Strategy.

Additionally, Dr. Augustus is a dedicated mentor to startups and a passionate advocate for social entrepreneurship, particularly in initiatives that promote the advancement of women. He founded and manages a trust named "Looking Above," which is committed to enhancing women's employability and supporting STEM education for girls. This initiative underscores his commitment to creating inclusive growth and empowering the next generation of female leaders in technology and business.

GUEST OF HONOR

Ms. ANALA PADMANABHA
Consultant, Director- McKinsey / UAE

Ms. Anala Padmanabha is a distinguished leader in the People & Organizational Performance Practice, renowned for driving growth, innovation, and organizational agility. An expert in culture change, leadership development, team effectiveness, capability building, and transformation, Anala partners with clients to enhance organizational effectiveness during critical times, such as mergers, strategic shifts, and crises. She spearheads comprehensive performance improvement programs that blend strategic, operational, and cultural initiatives.

Anala began her consulting career at EY as a senior consultant specializing in Mergers and Acquisitions. Her background as a Chartered Accountant enriched her understanding of international business and relations, leading her to collaborate with international organizations like IDA to promote a culture of diversity, inclusion, and holistic economic growth.

At McKinsey & Company, Anala crafted sustainable human development and performance models, and significantly contributed to advancing the learning and development frameworks for various organizations, governments, and non-profits.

She is also the founder and director of a real estate development firm based in Bengaluru, recognized for its commitment to ESG principles and sustainable building practices. Her firm, lauded by Architectural Digest and winner of multiple awards, undertakes projects across India and internationally, focusing on environmentally friendly and sustainable construction.

Beyond her professional endeavors, Anala is a dedicated volunteer at the Isha Foundation, a trained classical singer, and a yoga practitioner. She is also a certified scuba diver, an avid reader, and enjoys teaching and engaging with students. Anala advocates for future leadership to embrace inclusion and responsibility.

ABOUT JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY KAKINADA

Jawaharlal Nehru Technological University Kakinada (JNTUK) was established in the year 2008 vide ACT NO. 30 OF 2008 by the State of Andhra Pradesh. The University grew out of the College of Engineering Vizagapatnam founded by the Government of the composite Madras State in the year 1946. Spread over a sprawling campus of 100 acres in the port city of Kakinada, the college became a constituent of JNTU, Hyderabad in 1972. Subject to the trifurcation of the JNTU Hyderabad, it was notified as JNTUK Kakinada by the act of legislature in 2008.

The jurisdiction of JNTU Kakinada extends over the districts of East Godavari, West Godavari, Krishna, Guntur, and Prakasam. The University has 159 affiliated colleges under the jurisdiction of 5 districts and offers Engineering & Pharmacy courses in Under Graduate and Post Graduate Programs and also offers Management programs. The University and colleges are governed by the rules and guidelines provided by the Higher Education Department of AP and AP State Council for Higher Education from time to time. JNTUK has produced highly professional and competitive Engineers by infusing greater quality and content into the curriculum and educating the students with appropriate skills suitable for a rapidly challenging industrial scenario.

To improve the Quality of Technical Education, faculty are encouraged to participate actively in a number of National Programs like the Teacher Quality Improvement Program, University-Industry Interaction through consultancy, Continuing Education Programmes, and Expansion of infrastructure facilities for Emerging Technologies. University has established Higher learning institutes such as Institute of Science and Technology (IST), School of Food Technology (SFT) and School of Management Studies(SMS).

The University also offers Research Programs in all disciplines of engineering and sciences both full time and external registrations. As many professional colleges are coming up in private sector, the need has arisen to improve the quality of teaching. It necessitates providing continuous refresher courses to the teachers for updating and acquiring additional skills in new areas.

GRADUATE ATTRIBUTES / PROGRAMME OUTCOMES (POS)

- PO1: Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization for the solution of complex engineering problems.
- PO2: Problem analysis:** Identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
- PO3: Design/Development of Solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental considerations.
- PO4: Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
- PO5: Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
- PO6: The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- PO7: Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and the need for sustainable development.
- PO8: Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- PO9: Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- PO10: Communication:** Communicate effectively on complex engineering activities with the engineering community and with the society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- PO11: Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- PO12: Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.
