Continuous Improvement and Future Directions

(Last updated On 26-11-2025)

13.1	Institutional Performance Indicators	Academic, research, societal impact metrics ➤ The institution has developed a comprehensive set of performance indicators to monitor progress in academic excellence, research productivity, and societal impact. Academic indicators include student progression rates, programme outcomes attainment, employability statistics, and faculty qualifications. Research indicators cover publications in indexed journals, funded projects, patents filed, collaborations, and consultancy revenue. Societal impact is evaluated through extension activities, community outreach programmes, sustainability initiatives, and contributions to local development. Periodic review of these indicators enables evidence-based planning and continuous quality enhancement.
13.2	Strategic Priorities (Next 5 Years)	Academic, infrastructural, financial, and global goals https://pace.ac.in/public/assets/images/Institutional%20Development%20Plan_PACEITS.pdf
13.3	Stakeholder Engagement Framework	Mechanisms for continuous feedback https://pace.ac.in/iqac
13.4	Vision for 2047	Alignment with national development goals (e.g., Swarna Andhra @ 2047) ➤ The institution envisions becoming a nationally recognised centre of excellence in education, research, and innovation by the year 2047, aligning with India's long-term developmental

		<p>aspirations including initiatives such as Swarna Andhra @ 2047. The vision emphasises cutting-edge research, global competitiveness, sustainable campus development, and strong industry-academia collaboration. By 2047, the institution aims to produce socially responsible graduates, drive regional development, contribute to technological advancements, and support national goals of economic growth, digital transformation, and inclusive progress. The long-term vision provides a roadmap for academic expansion, internationalisation, and societal contribution over the coming decades.</p>
