PACE AT A GLANCE

PACE Institute of Technology and Sciences (PACE ITS) was established under Srinivasa Education Society in 2007 at Valluru village, near Ongole. It has been running successfully since the academic year 2008-09. PACE, being an NRI's project is committed to provide a world class technical education. PACE Institute of Technology and Sciences is permanently affiliated to JNTUK, Kakinada and approved by AICTE, New Delhi. The institution was accredited by "NBA" and NAAC with "A" grade. The institution has got the AUTONOMOUS status in 2018. The college is situated in a panoramic area of 14 acres with Wi-Fi enabled infrastructure, well ventilated classrooms and well equipped laboratories. As a provision for physical fitness, the college also has a sports field and indoor stadium.

This institution was started by Dr. Maddisetty Venugopal Rao, Chairman and Dr. Maddisetty Sridhar, Secretary and Correspondent, with a modest strength of 240 and now, the institute has an intake of 1000+students. The college offers B. Tech Degree in ECE, CSE, CSE (IoT and Cyber Security), CSIT, AI & ML, AI & DS, EEE, IT, Mechanical, Electronics Engineering (VLSI Design and Technology) and Civil. The college also offers courses like MBA, M. Tech and Diploma.

Vision

To impart futuristic technical education transforming the students technically superior, ethically strong, self-disciplined to serve for the nation building as a valuable resource.

Mission

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities.
- To enrich the intellectual know-how, credibility and integrity of the students to necessitate industry.
- To transform the students as scholarly and influential leaders in engineering education, and to develop human power with creativity, advanced technology and passion for the betterment of future nation.

INDEPENDENCE DAY

PACE Institute of Technology and Sciences, Ongole, celebrated the 78th Independence Day with profound enthusiasm and patriotism. Dr. Maddisetty Sridhar, our esteemed Secretary and Correspondent, proudly hoisted the National Flag, signifying our institution's steadfast dedication to the core values and freedoms of our nation. The celebration featured a spectacular patriotic dance performance, followed by an inspiring March Past by the NCC cadets, which beautifully captured the spirit of independence and dedication. Held on August 15, 2024, the event was organized by the Department of Physical Education and NCC attended by numerous dignitaries, including Dr. M. Sridhar, Secretary and Correspondent; Dr. G.V.K. Murthy, Principal; Dr. R. Veeranjanyulu, Dean of Students' affairs, Ms. Roopa Akkesh K, Dean of Training and Placements, Mr. M. Ramana Babu, Administrative Officer; as well as all Deans and Heads of Departments, along with students who participated in this magnificent event. Prior to the main celebrations, various games and sports activities were conducted, with Dr. Sridhar distributing prizes to the winners.

HAR GHAR THIRANGA

PACE Institute of Technology and Sciences, Ongole, proudly organized a rally featuring an impressive 1000-foot-long Indian national flag as part of the Har Ghar Tiranga initiative during Azadi Ka Amrit Kaal. The event saw 700 enthusiastic students participate as flag bearers, aiming to promote unity and patriotism among the youth and the local community. The event was honored by the presence of esteemed guests, including Ms. Thameem Ansariya, Collector and District Magistrate; Sri Damacharla Janardhan Rao, MLA; and Honorable M.P. Sri Magunta Srinivasulu Reddy,

who joined our students in this unforgettable celebration. The students carried the magnificent flag from Church Center, Ongole, to Mini Stadium, symbolizing our unity and pride as we celebrated the 78th Independence Day. This successful event was a collaborative effort involving the ISR Cell, NCC, NSS Unit-I, and NSS Unit-II of PACE Institute of Technology and Sciences. It was attended by numerous dignitaries, including Dr. Maddisetty Sridhar, Secretary and Correspondent; Dr. G.V.K. Murthy, Principal; Dr. R. Veeranjanyulu, Dean of Students' Affairs; Ms. Roopa Akkesh, Dean of Training and Placements; and Mr. M. Ramana Babu, Administrative Officer, along with all Deans, Heads of Departments, and participating students, making it a truly remarkable occasion. ANO Capt. A. Prudhvi Krishna and Dr. Mallikarjuna Rao, coordinator of Institutional Social Responsibility Cell, guided cadets in maintaining discipline and providing refreshments during an event, ensuring a smooth and organized atmosphere.

Dr. Sridhar and the Team of PACE participated in the 1000-meter National Flag Rally alongside Sri. Damacharla Janardhan Rao, the MLA and M.P. Sri Magunta Srinivasulu Reddy

Member of Parliament for Ongole, Mr. Magunta Srinivasulu Reddy, who delivered an inspiring address on the importance of national unity and the significance of the Tiranga (tricolor flag), was felicitated by Dr. Maddisetty Sridhar.

PACE Students and Staff Take the Lead in the 1000-Meter National Flag Rally in Ongole

PACE HELPING HANDS UNIT

At PACE, we firmly believe in the strength of community and the importance of coming together in times of need. Recently, the **PACE Helping Hands (PHH) Unit**, comprised of dedicated volunteers committed to supporting fellow PACERs, organized a campaign to assist our first-year student, Kommu Abhishek, who was

hospitalized following a severe bike accident. Thanks to the collective efforts of our incredible student volunteers, we raised an impressive Rs. 75, 000, and our management generously contributed an additional Rs. 50,000 to support Abhishek's family during this challenging time. They successfully raised a total of Rs. 1, 25, 000. The unwavering commitment of the students and the appreciation shown for the PHH volunteers is genuinely inspiring. A heartfelt gratitude was extended to everyone who contributed and demonstrated solidarity. Their kindness and generosity embody the spirit of PACE. They aim to continue uplifting one another and creating a positive impact in their community.

TRAINING AND PLACEMENTS

Infosys Springboard Summit 2024

The Infosys Spring Board Summit focused on promoting digital learning and supporting digital innovators. Speakers from IT, education, and government shared their insights. Key topics included the importance of digital platforms, certifications, teacher training, internships, and collaboration. The summit emphasized the need for accessible digital learning, mentioning the creation of 29 million new jobs and a variety of digital learners. The summit also addressed the need for better digital literacy and access to relevant content. Discussions highlighted mobile labs for hands-on learning and partnerships with universities to develop effective curricula. It was noted that over 100 universities should support women and students, reflecting changes in education. A significant concern was the skills gap, with 80% of jobs unfilled due to a lack of STEM-trained graduates. The need for digital classrooms in rural India and a focus on innovation for social good were also emphasized. AI's role in education was a major topic, especially since India has 100,000 startups. The summit discussed how AI could support education in the country's 22 official languages and its potential for future growth. In summary, the Infosys Spring Board Summit highlighted the importance of digital learning, innovation, and integrating AI into education. There was also a call for more open networks and renewable energy. Mr. Karumanchi Haribabu from Infosys Springboard attended the summit on August 23, 2024, where PACE was recognized as one of the top five institutions in Andhra Pradesh for the most certifications completed on the platform.

VANAKKAM HRD - CAMPUS RECRUITERS CONFLUENCE - 2024

PACE had an enriching experience co-sponsoring the **Campus Recruiters Confluence-2024** organized by **Vanakkam HRD** in Chennai on August 31, 2024. Our Training & Placement representatives, Mr. Ratna Raju Chegudi and Mr. Anjaneyulu Sudi, actively participated in this event. Sponsoring the event highlights our commitment to enhancing HR networking and staying ahead of recruitment trends. The conference provided us with valuable insights into the latest developments in campus recruitment, helping us understand the expectations of the industry from fresh graduates. Key skills essential for successful placements were explored, and a deeper understanding of emerging technologies was gained. A significant topic of discussion was the rising influence of AI on the job market, which Training and Placements Cell is eager to incorporate into its training programs to ensure our students are future-ready. At PACE, we recognize the importance of staying connected with HR professionals and industry leaders in shaping our students' careers. This event has strengthened our determination to foster these connections and prepare our students for the challenges and opportunities of the future job market.

CAREER GUIDANCE CELL

A SEMINAR

The Career Guidance Cell hosted an engaging seminar on August 30, 2024, for final-year B.Tech students focused on "**Civil Services as a Career Option.**" Major SPS Oberoi, the Academic Director at EKAM IAS Academy, acted as a person. Major Oberoi provided valuable insights into the wide array of civil service roles that are pivotal in implementing government policies and driving the nation's development. He highlighted the numerous benefits of a career in civil services, including stability, opportunities for growth, and the chance to make a significant impact on society. The session covered critical topics such as the various roles within civil services, career advantages, the eligibility and selection processes, and effective preparation strategies for civil service exams. Overall, it was an enlightening and motivational session for students who aspire to serve the nation through a career in civil services. The seminar was organized under the leadership of Ms. Roopa Akkesh. K. and coordinated by Ms. K. Anuradha from the CSE (IoT & CSBT) department and Ms. M. Kalyani from the IT department.

The poster features a dark blue background with a silhouette of a person climbing a staircase made of wooden blocks. A hand is shown placing a block on the top step. The text is in white and yellow. Logos for PACE, UGC, AICTE, NAAC, and the Institution's Innovation Council are displayed. The speaker's name and title are prominently featured, along with the names and roles of the organizers and coordinators.

COMPUTER SCIENCE ENGINEERING

Dr. Sadineni Celebrates Ph.D. Milestone!"

Dr. Sadineni Giri Babu, the Head of the Department of Computer Science at PACE Institute of Technology and Sciences, has been awarded a doctorate from Annamalai University, Chidambaram, for his research on an "**Optimized Classification Approach to Detect Intrusion in Wireless Sensor Networks.**" His work, supervised by Prof. M. Archana, focuses on improving security by detecting intruders in wireless sensor networks. This recognition, which is expected to have a significant impact on the field of computer science, was presented by Dr. Maddisetty

Sridhar, college Secretary and Correspondent, Dr. G.V.K. Murthy, college Principal, Dr. CV Subba Rao, Dean of Academics, Dr. R. Veeranjanyulu, Dean of Students' Affairs, Ms. K. Roopa Akkesh, Dean of Training and Placements, AO Mr. M. Ramana Babu and various heads of departments and faculty. His achievement has been widely congratulated by his peers, marking a significant milestone in his career.

A FACULTY DEVELOPMENT PROGRAM

The Department of Computer Science and Engineering (CSE) hosted a one-week Faculty Development Program (FDP) on "**Microsoft Azure AI Engineer Associate**" from August 19 to 23, 2024. This program aimed to deepen faculty members' expertise in Microsoft Azure Cloud technologies. The FDP was conducted by Mr. Abhay Sasikanth Dhanmehar, a Technical Trainer from ICT Academy, and covered essential topics such as the development, management, and deployment of AI solutions using Azure AI. Participants learned about the AI solution lifecycle, including requirement definition, design, development, deployment, integration, and performance tuning. They also gained hands-on experience with Azure's tools and services, utilizing Python and C# for image and video processing, natural language processing, and generative AI, and working with REST APIs and SDKs.

The program was organized under the leadership of Dr. S. Giri Babu, Associate Professor and Head of the Department of Computer Science, with Dr. P. Hussain Basha serving as co-convener and Ms. Sunitha as coordinator. Attendees included College Correspondent Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, and Dean of Academics Dr. CV. Subba Rao, Head of Department Dr. S. Giri Babu, Convener Dr. P. Hussain Basha, Coordinator Ms. Sunitha, and other faculty members. The event concluded with an eligibility test and the distribution of certificates. As Microsoft Azure AI Engineer Associates, participants are now skilled in developing, managing, and deploying secure AI solutions, working collaboratively with various specialists and integrating AI capabilities into diverse applications.

A GUEST LECTURE

The Department of Computer Science and Engineering at PACE Institute of Technology and Sciences held a guest lecture on "**Introduction to SQL Server**" on August 23, 2024. The lecture, delivered by a Software Engineer-I, Carelon Global Solutions, Hyderabad, Ms. Ramireddy Mahitha, aimed to enhance students' knowledge and skills in database management systems, specifically SQL Server. She also provided in-depth insights into SQL Server's architecture, query execution, data management, and other essential features. Her practical approach made the session both informative and interactive. The event attracted around 100-120 students, eager to learn and expand their technical skills. The students gained valuable knowledge that will aid them in their future projects and professional development. The lecture was a success, contributing to the department's efforts to bridge the gap between academic learning and industry practices. The Department of CSE extends its gratitude to Mahitha for her valuable time and knowledge and for inspiring the next generation of tech professionals. The program was organized under the leadership of Mr. S. Giri Babu, Associate Professor and Head of the Department of Computer Science, with Dr. P. Hussain Basha serving as co-convenor and Ms. Sunitha as coordinator.

Organised By Department of **CSE**

On August 27, 2024, the Department of Computer Science and Engineering at PACE Institute of Technology and Sciences successfully organized an insightful event titled "Academic Cross Culture Context of Higher Education." The event witnessed a robust participation of 100-150 students, who engaged in a stimulating discussion on the various dimensions of academic culture across different educational settings. Mr. B Srinivasa Reddy, Assistant Professor of CSE at PACE, was the esteemed resource person for the session. His presentation offered valuable insights into the interplay between academic practices and cultural contexts, enriching the participants' understanding of global educational environments. The event proved to be an enriching experience for all involved, fostering a deeper appreciation of the diverse academic cultures that shape higher education. The program was organized under the leadership of Mr. S. Giri Babu, Associate Professor and Head of the Department of Computer Science, with Dr. P. Hussain Basha serving as co-convener and Ms. Sunitha as coordinator.

A GUEST LECTURE

The Department of Computer Science and Engineering (CSE) at PACE Institute of Technology and Sciences (PACE ITS) organized an insightful guest lecture on "Career in Software Testing" on August 31, 2024. The event was attended by approximately 100-120 enthusiastic students, who gained valuable insights into the world of software testing and its career opportunities. **Resource Person:** Mr. Gangineni Rama Krishna, a Test Engineer with Qualitest Group, Hyderabad, was the distinguished speaker for the session. Mr. Rama Krishna shared his extensive knowledge and experience in the field, providing students with practical advice and guidance on pursuing a successful career in software testing. His engaging presentation and real-world examples offered a comprehensive understanding of the skills and competencies required to excel in this domain. The guest lecture was a significant opportunity for students to explore the diverse career paths available in software testing and to learn from an industry expert. The Department of CSE extends its gratitude to Mr. Gangineni Rama Krishna for his valuable contribution and to all the participants for their enthusiastic involvement.

The poster features a dark blue background with a starry pattern. At the top left is the PACE logo with accreditation details. COMPUTER SCIENCE ENGINEERING (IoT and CSBT) and IT

A GUEST LECTURE

The Department of Computer Science and Engineering (IoT & CSBT) at PACE Institute of Technology organized a guest lecture on "Web Logic Server for Java Applications" on **August 10, 2024**, aimed at enhancing the technical knowledge of second-year IoT and IT students. **Mr. S.V. Bharath Kumar**, Product Support Tech Advisor 2 from **IQVIA RDS (India) Pvt. Ltd., Kochi**, served as the esteemed resource person. During the lecture, Mr. Kumar delved into the critical role that Web Logic Server plays in hosting and managing Java applications, emphasizing its importance in

enterprise environments. The session was highly interactive, providing students with practical insights and expert guidance on Web Logic Server's architecture, deployment strategies, and its relevance in today's tech-driven industries. Students appreciated the real-world examples and hands-on approach, which not only broadened their understanding but also motivated them to explore advanced topics in server management and Java development. This event marks another step forward in the Department's commitment to bringing industry-aligned learning experiences to its students, preparing them for a dynamic and evolving tech landscape. The event was convened by Dr. B. Srikanth, Professor and HoD of CSE (IoT and CSBT), co-convened by Dr. A. Seshagiri Rao, Professor and HoD of Information and Technology, and organized by Assistant Professors Ms. Swarna and Ms. B. Sarada.

Faculty Achievements

Ms. Veluri Swarna, an assistant professor of information and technology, took part in a 10-hour international faculty development program on artificial intelligence and machine learning that was hosted by ExcelR Edtech Pvt. Ltd. in partnership with Pimpri Chinchwad College of Engineering and Research, Ravet, Pune, Maharashtra; Sri Venkateswara Degree College, Kadapa, Andhra Pradesh; SJB Institute of Technology, Bangalore, Karnataka; and Sri Indu PG College, Hyderabad, Telangana from August 12 to August 19, 2024

A SEMINAR

On **August 28, 2024**, the Departments of Information Technology and Computer Science Engineering (IoT & CSBT) at PACE Institute of Technology collaboratively organized an enlightening online session titled "**Innovation and Startup Ecosystem Enabler.**" The session aimed to equip second- and third-year B.Tech students with essential knowledge and tools to navigate the rapidly evolving world of startups and innovation. We were privileged to have **Dr. Hafeez Basha**, Adviser and former CEO of **Osmania TBI**, as the esteemed resource person. Dr. Basha offered deep insights into the startup ecosystem, stressing the significance of innovation, problem-solving, and entrepreneurship. His vast experience provided students with invaluable guidance on leveraging emerging technologies to transform ideas into impactful startups. The session sparked curiosity and enthusiasm among the students, many of whom were inspired to take their first steps toward becoming innovators and entrepreneurs. PACE officials felicitated **Dr. Basha** in recognition of his invaluable contribution to the session. The event concluded with enthusiastic student participation, making it a resounding success.

A SEMINAR

The Departments of Information Technology and Computer Science Engineering (IoT & CSBT) at PACE Institute of Technology collaboratively hosted an insightful online session titled "Innovation of Mobile Application using Java" on August 29, 2024. The session featured **Mr. Kanaparthi Baswan**, Project Manager at **NCTS, Hyderabad**, who shared his extensive knowledge on mobile app development,

focusing on the power of Java in creating innovative solutions. Students actively participated in the session, posing thought-provoking questions, all of which were addressed by Mr. Baswan with great clarity and expertise. His interactive approach and practical insights made the session highly engaging and educational. PACE officials felicitated Mr. Baswan in recognition of his invaluable contribution to the session. The event was coordinated by Ms. G. Aruna and Dr. M Venkateswara Rao, IIC coordinator, and it was convened by Dr. A. Seshagiri Rao, Professor and HoD of Information and Technology, and Dr. B. Srikanth, Professor and HoD of CSE (IoT and CSBT).

audience, emphasizing the latest advancements in AWS technology and their potential to enhance employment opportunities and agricultural resources through modern database solutions. Dr. Maddisetty Sridhar, the College Secretary, also spoke at the event, highlighting the necessity of improving study skills by staying informed about new developments in the field. The program saw active participation from Dr. GVK Murthy, the college principal, as well as Ms. Heena Kausar, Head of the Department of AIML, and coordinators Mr. M. Aron and Ms. N. Haritha Patel, along with other faculty members.

A 3-DAY STARTUP COMPETITION

The Departments of AI & Data Science and AI & Machine Learning at PACE Institute of Technology and Sciences [PACE ITS Ongole](#) jointly conducted a 3-day Startup Competition scheduled from August 22 to August 24, 2024. This event presented a wonderful opportunity for students to showcase their innovative ideas, entrepreneurial mindset, and problem-solving abilities. This competition was specifically designed for students in their second, third, and final years from AIME and AIDS departments. Organized under the auspices of the Institution's Innovation Council and the Society for Writer's Science, the program aimed to promote creativity and entrepreneurship among participants. Ms. Sheikh Heena Kausar and Dr. Shinde Phani Kumar, the heads of the AIML and AIDS departments, addressed the students, highlighting the significance of nurturing new ventures and enhancing their skills to adapt to rapidly evolving market technologies. They motivated students to pursue innovation and strive for new breakthroughs. Additionally, Mr. K. Suresh Babu, the program's convener, actively engaged with students and addressed their queries.

ALUMNI INTERACTION

The Department of AI & DS had the pleasure of hosting an inspiring Alumni Interaction session for the students. We were honored to have our alumna, Ms. Sai Javali Surisetty, currently a Packaged App Development Associate at Accenture, visited the college and shared his valuable insights. During the session, Ms. Javali engaged with her juniors on the crucial balance between technical skills and soft skills in securing a job. Her journey, preparation strategies, and experiences in the industry resonated deeply with our students, who found the session not only informative but also highly motivating. The interactive discussion left our students more confident and better prepared for their career journeys. We are thankful to Ms. Javali for taking the time to guide and inspire the next generation of technocrats.

ELECTRICAL AND ELECTRONICS ENGINEERING

A SESSION

On August 17, 2024, the Department of Electrical and Electronics Engineering at PACE ITS Ongole organized an engaging online session on "Lean Startup and Minimum Viable Product." The team was honored to welcome Dr. Sarathsimha Bhattaru, Associate Professor at KLH Global Business School, as the expert speaker. Dr. Sarathsimha provided in-depth

insights into the lean startup methodology and emphasized the importance of developing a minimum viable product (MVP) to validate concepts swiftly and effectively. His presentation equipped our students with practical tools and strategies for approaching entrepreneurship with an emphasis on innovation and efficiency. In recognition of his invaluable contribution, PACE officials presented Dr. Sarathsimha with a token of appreciation. The event was graced by the presence of Principal Dr. GVK Murthy, Dean of R&R Dr. D. Anil Kumar, and coordinated by Dr. B. Venkatesh, Associate Professor, along with Dr. M. Venkateswara Rao, IIC coordinator. The session was convened by Dr. Ch. Jagadeswar Reddy, Head of the Electrical and Electronics Engineering Department.

ALUMNI INTERACTION

The poster is for an alumni interaction event. At the top left is the PACE logo with 'INSTITUTE OF TECHNOLOGY & SCIENCES' and 'AUTONOMOUS' below it. To the right are logos for PACE, NAAC, and the Institution's Innovation Council. The main title 'Alumni Interaction' is in a large, blue, cursive font. Below it is a portrait of Mr. I. Sravan Kumar, a man with a mustache wearing a suit and tie. To the right of the portrait is a circular logo with a horse and the text 'PACE'. Below the portrait and logo, the text reads 'Mr. I. Sravan Kumar Software Engineer, Namaste Credit Bangalore'. Underneath this is 'GUEST LECTURE ON' followed by 'MAGNETIC FIELDS' in a large, bold, blue font. Below that, it says 'to the Alumni Interaction on 27th August 2024 Time:10:00 AM | Venue: Diploma Seminar Hall'. At the bottom, there are three columns of text: 'Convenor Mr. B. Nagaraju Assoc. Professor & HoD - EEE', 'Co-Convenor Mr. B. Venkatesh Asst. Professor - EEE', and 'Coordinator Mr. B. Vijay Chandra Asst. Professor - EEE'. The bottom left corner has the address 'NH-16, Near Valluramma Temple, Valluru, Ongole-523272' and the website 'www.pace.ac.in | 9581456310'. The bottom right corner has 'Organized By Department of EEE'.

The Department of Electrical and Electronics Engineering recently had the honor of hosting an Alumni Guest Lecture on "Magnetic Fields." We were thrilled to welcome back our alumnus, Mr. I. Sravan Kumar, who is currently a Software Engineer at Namaste Credit in Bangalore. The session was highly interactive, with Mr. Kumar illuminating the intricate yet captivating concepts of magnetic fields and their applications in contemporary technology. His skill in connecting theoretical principles with practical insights from his career made the lecture particularly engaging and valuable for the students.

This event provided an excellent opportunity for students to learn from a distinguished alumnus, acquiring both technical knowledge and guidance on navigating the transition from academia to the professional realm. PACE Officials appreciated Mr. I. Sravan Kumar for returning to his alma mater and inspiring the engineers of tomorrow.

A GUEST LECTURE

On August 23, 2024, the Department of Electrical and Electronics Engineering (EEE) hosted an insightful guest lecture titled "Industrial Safety & Career Guidance." The session was delivered by Mr. S. Narasimha Rao, a distinguished alumnus of the department and Senior Section Engineer at the Railway Wagon Workshop, Vijayawada. The event was organized under the leadership of Mr. B. Naga Raju, Associate Professor and Head of the EEE Department, with support from Mr. B. Venkatesh, Associate Professor. Event coordination was handled by Mr. K.V. Narayana.

Faculty Achievements

In the Department of Electrical and Electronics Engineering (EEE), Mr. B. Nagaraju, Head of Department, Mr. B. Vijay Chandra, Dr. Jagadeswar Reddy, Mr. K. Sowjan Kumar, and Mr. M. Mallikarjuna took part in a one-week Faculty Development Program (FDP) on "EV Technology: Battery Modeling, Sensors, Battery Management, Motors, and E-Bus Charging." This event was hosted by the Vidya Vikas Institute of Engineering Technology in Mysore and ran from August 12 to August 17, 2024.

ELECTRONICS AND COMMUNICATION ENGINEERING

A SEMINAR

On August 17, 2024, the Department of Electronics and Communication Engineering at PACE Institute of Technology and Sciences hosted an engaging online session titled "Entrepreneurial Hexagon: The Need of the Hour." We were honored to have Dr. K. Srinivas, Associate Professor at K.L. Business School, as our distinguished

resource person. Dr. Srinivas shared invaluable insights into the essential elements of entrepreneurship, emphasizing the six key factors crucial for success in today's dynamic business landscape. His expert guidance has motivated our students to think creatively and approach entrepreneurial ventures with confidence. In acknowledgment of his invaluable contribution, PACE officials bestowed a token of appreciation upon Dr. Srinivas. The event was convened by Dr. M. Appa Rao, Associate Professor and HoD of Electronics and Communication Engineering, and coordinated by Mr. R. Koteswara Rao, Assistant Professor of ECE.

A GUEST LECTURE

The Department of ECE organized an insightful Alumni Guest Lecture on "VLSI Design & Verification Methodology Applications and its Recent Trends on August 24, 2024." We were glad to welcome back Mr. Sasidhar Kondapalli, who is also a member of PACE Alumni, was welcomed in a highway from the 2012-2016 batch, who is now a module lead at Synopsys, Bangalore. Mr. Sasidhar shared his

expertise on the critical phase of design verification, discussing its significance, the process involved, various languages and methodologies used, and the promising future prospects in VLSI design. The session was highly interactive and provided valuable insights to our students. In acknowledgment of his invaluable contribution, PACE officials bestowed a token of appreciation upon Mr. Sasidhar for taking the time to inspire and educate the next generation of engineers. The event was convened by Dr. M. Appa Rao, Associate Professor and HoD of Electronics and Communication Engineering, and coordinated by Ms. K.M.V.V. Lakshmi Manasa, Assistant Professor of ECE and Alumni coordinator.

A Guest Lecture

The Department of Electronics and Communication Engineering organized an offline guest talk titled “Career Guidance Program: Higher Studies in India” at PACE Institute of Technology and Sciences on August 10, 2024. The event was supervised by Dr. M. Apparao, Professor and Head of the ECE Department, and coordinated by Mr. R. Koteswara Rao. Over 160 students attended the

session, which featured Mr. K. Paranjyothi as the speaker. In attendance were the College Secretary and Correspondent, Dr. Maddisetty Sridhar, Principal Dr. GVK Murthy, and the Director of Students' Affairs, Dr. R. Veeranjanyulu, AO Mr. M. Ramana Babu, staff and students actively took part in this.

Literary and Hobby Club

The Department of Electronics and Communication organized an event for ECE students under the Literary and Hobby Club, featuring "Dumb Charades" on August 11, 2024. A total of 26 students participated in this engaging activity.

MECHANICAL ENGINEERING - DEPARTMENTAL ACHIEVEMENTS

A GUEST LECTURE

The Department of Mechanical Engineering organized a one-day guest lecture titled "Advancements in Mechanical and Automobile Technologies" aimed at II and III year students, as well as mechanical faculty members. The session was delivered by Dr. Dinesh Kumar Rajendran, Assistant Professor in the Department of Mechanical Engineering at NIT Srinagar, Kashmir, on August 22, 2024. A total of 89 students participated in the event. The lecture was convened by Dr. G. Kondaia, Head of the Department of Mechanical Engineering, and co-convened by Dr. G. Mallikarjunachari, Associate Professor, with coordination provided by Assistant Professor Mr. Y. Srinivasa Reddy.

A SESSION

The Department of Mechanical Engineering hosted an IIC event featuring a session titled "Acceleration/Incubation Opportunities for Students and Faculty - Early Stage Entrepreneurs." This session, designed for II and III year students as well as mechanical faculty members, was conducted by Dr. Sharath Chandra Aduri, a Quality Expert, Public Health Professional, and Technology Management Professional, on August 29, 2024. A total of 87 students participated in the event. The session was convened by Dr. G. Kondaia, Head of the Department of Mechanical Engineering, co-convened by Dr. G. Mallikarjunachari, Associate Professor, and coordinated by Assistant Professor Mr. Y. Srinivasa Reddy.

CIVIL ENGINEERING

A Guest Lecture on "Structural Health Monitoring"

The session commenced on August 23, 2024 at 9:20 AM with an introduction by Mr. M. Durga Prasad, Assistant Professor, in the Civil Block Seminar Hall. The guest lecture was conducted online by Dr. V. Venkata Rambabu, Associate Professor, Department of Civil Engineering, N.B.K.R. Institute of Science and Technology, Vidyanagar, Nellore, Andhra Pradesh, who served as the resource person for the event. He provided a comprehensive overview of Structural Health Monitoring (SHM) and sensor concepts.

A total of 76 students attended the session. In the final five minutes, a Q&A session was held, during which some students asked questions and received clarifications. All participants were actively engaged throughout the event. The session concluded at 11:20 AM with a vote of thanks.

A Guest Lecture on “Innovation in Road Bridges”

The session began on August 17, 2024 at 9:00 AM with an introduction by Mr. Kranthi Kumar, Assistant Professor, in the Civil Block Seminar Hall. Mr. C. Teja Kumar, Assistant Executive Engineer (AEE) from the Irrigation Department, Ongole, Andhra Pradesh, served as the resource person for this guest lecture. He provided a comprehensive overview of innovations in road bridge construction. A total of 81 students attended the session. In the last five minutes, a Q&A session was conducted where some students asked questions and received clarifications. All participants were actively involved throughout the event. The session concluded at 11:20 AM with a vote of thanks.

FIELD TRIP TO KANDULA OBULA REDDY GUNDLAKAMMA RESERVOIR

Field Trip Highlights: A Journey into Reservoir Management

On August 10, 2024, students visited the Kandula Obula Reddy Gundlakamma Reservoir to gain practical experience in managing and operating critical water resources. This visit was part of the civil engineering curriculum, enhancing students' understanding of theoretical concepts through real-world experiences. The reservoir management team provided an informative briefing on the reservoir's history, structure, and operational significance. The Superintending Engineer led an introductory session on the reservoir's role in regional water management. Participants enjoyed a guided tour of the facility, exploring key components like the dam, spillways, and control structures. They learned about design principles, construction techniques, and maintenance practices in effective reservoir management. An interactive question-and-answer session allowed students to clarify technical aspects with on-site engineers. A practical demonstration of the reservoir's operation allowed students to observe the complexities of managing water resources. The visit was a success, enriching students' understanding of civil engineering applications in water resource management. Participants expressed appreciation for the opportunity to learn about the operational dynamics of the facility. The staff ensured a smooth and safe experience.

MASTER OF BUSINESS ADMINISTRATION

The Department of MBA at [PACE ITS Ongole](#) recently organized an insightful workshop on "Design Thinking for Problem Solving" for our first and second year MBA students. We were honored to have [Dr. J. Venkata Ramana](#) from KL Business School as the resource person. Dr. Ramana emphasized that Design Thinking is a powerful problem-solving approach that prioritizes user needs above all else. What's inspiring is that anyone can leverage this method not just designer. The speaker explained that by understanding people and their surroundings with empathy, we can create new ideas through a process of building, testing, and refining. The workshop was a fantastic opportunity for our students to deepen their understanding of this powerful methodology.

**An awareness program on
ROAD TRAFFIC ACCIDENTS**

The NSS Unit of PACE Institute of Engineering & Technology actively participated in the Helmet & Road Safety 2024 program on August 27, 2024, held at the Mini Stadium in Ongole town. The Prakasam District Police Department organized the event, which attracted 120 students and two staff members. The program featured an important awareness session on the significance of

saying no to drugs and the necessity of wearing helmets while driving. Guest speakers included Prakasam District Superintendent of Police A. R. Damodhar, I.P.S., and renowned actor Mr. Raghu Babu. In his address, A. R. Damodhar, I.P.S., highlighted the alarming increase in harmful drug consumption among students and its direct link to road accidents. He strongly advised students to avoid drug use, refrain from riding bikes without a valid license, and warn about the legal consequences of engaging in criminal activities. The college secretary, correspondent, and principal expressed their appreciation for the participation of students and staff in this vital initiative. The event was also graced by esteemed guests including the secretary and correspondent, Dr. Maddisetty Sridhar, Principal, Dr. G.V.K. Murthy, Dr. R. Veeranjanyulu, Dean, Student Affairs', M. Ramana Babu, Chief Administrative Officer, and all Deans and Heads of Departments.

Nasha Mukta Bharat Abhiyan (NMBA)

The PACE Institute of Technology and Sciences NSS Unit organized the Nasha Mukta Bharat Abhiyan (NMBA) campaign on August 12, 2024, following guidelines from the Government of India. The Department of Social Justice and Empowerment launched the campaign on 15th August 2020, which has since expanded to all districts of the country. The campaign involved college students taking a pledge to not use drugs and pledge to make the country a drug-free youth country. On August 12, 2024, all the students pledged to not use drugs. The event was attended by college secretary and correspondent Dr. Maddisetty Sridhar, Principal, Dr. G.V.K. Murthy, Dean of Students' Affairs, Dr. R. Veeranjanyulu, Chief Administrative Officer Mr. M. Ramana Babu, and all deans and HODs. The event highlighted the impacts of drugs on students' futures and the importance of reducing drug use.

NATIONAL SPACE DAY – 2024

PACE Institute of Technology and Sciences NSS Unit organized **National Space Day - 2024** at Jawahar Navodaya Vidyalaya School, Ongole. The event aimed to commemorate India's achievement of becoming the fourth country to land on the moon and the first to reach its southern polar region. Prime Minister Mr. Narendra Modi announced August 23 as "**National Space Day**" to honor this milestone. The event featured various events highlighting India's space achievements, society's benefits, and opportunities for people to engage with the Indian space programme. The main event took

place in New Delhi on August 23, 2024. The event was attended by college secretary and correspondent Dr. Maddisetty Sridhar, Principal, Dr. G.V.K. Murthy, Dean of Students' Affairs, Dr. R. Veeranjanyulu, Chief Administrative Officer Mr. M. Ramana Babu, and all deans and HODs.

INSTITUTIONAL SOCIAL RESPONSIBILITY CELL

Energy Swaraj – PAL

The Institutional Social Responsibility (ISR) Cell of PACE Institute of Technology and Sciences organized the "Energy Swaraj—PAL (Portal for Action and Learning)" campaign on August 23, 2024, as part of the Climate Correction Movement's Energy Literacy Training (ELT). This initiative aims to impart energy literacy to one billion people through online or in-person sessions. The foundation will issue

certificates and maintain data on energy-certified individuals. The portal also offers additional training, including a free awareness session on "Energy Swaraj" course registration. The event sought to educate staff and students on energy-saving practices and encourage participation in the climate correction movement. Mr. N. Srinivas Rao, Associate Professor and Head of the CSIT department, led the session as a resource person, emphasizing that climate change is already a reality. He highlighted how individuals and organizations can contribute to corrective measures through the portal. Successful completion of activities earns Climate Correction Credits (CCC), which are tracked on dashboards to showcase the participants' commitment to addressing climate change. The event was attended by college dignitaries, including Secretary and Correspondent Dr. Maddisetty Sridhar, Principal Dr. G.V.K. Murthy, Dean of Students' Affairs Dr. R. Veeranjanyulu, Chief Administrative Officer Mr. M. Ramana Babu, as well as all deans and HODs. Dr. M. Sridhar commended the efforts of the staff and students involved in the event.

BLOOD DONATION CAMP

A Mega Blood Donation Camp was organized at PACE Institute of Technology and Sciences on August 8, 2024. The event, jointly coordinated by the NSS Units I and II, and the Institutional Social Responsibility (ISR) Cell, was held in collaboration with the Office of the Commissioner of Central Tax (CGST), Guntur Commissionerate, with a special focus on supporting Thalassemia patients in Andhra Pradesh. A total of 50 students actively participated by donating blood. During the event, College Secretary and Correspondent, Dr. Maddisetty Sridhar, highlighted the importance of this initiative, stating that the program was organized with the intention of providing much-needed blood donations to Thalassemia patients. He emphasized the severity of the disease and encouraged everyone to contribute towards its eradication. The College Principal, Dr. GV Murthy, Dean of Students' Affairs, Dr. R. Veeranjanyulu, NSS Program Officer, Dr. M. Mallikarjuna Rao, Health Watch Committee Coordinator, Dr. P. Brahmam, and other esteemed guests were present to support the cause. The camp received a great response and was highly motivated by the goal of helping Thalassemia patients across the state. The staff and students were encouraged to participate in this noble cause, reflecting the college's strong commitment to social responsibility.

AN AWARENESS SESSION ON ANTI-RAGGING

On August 3, 2024, the Women Empowerment Cell at PACE Institute of Technology and Sciences organized an **Anti-Ragging Awareness** program. The program featured several notable speakers, including Ms. N. Jyoti Supriya, Center Administrator of SAKHI-OSC, Ms. S. Spandana, SAKHI legal

counselor, Ongole, and Mr. Sk. Umar Zakir, Head Constable. They emphasized the harmful effects of ragging, which is a criminal offense punishable by imprisonment ranging from six months to ten years. Ms. Supriya called on students to eradicate ragging from the college environment and stressed the importance of treating each other with respect and brotherhood. The event was attended by various college dignitaries, including the Secretary and Correspondent, Dr. Maddisetty Sridhar, Principal, Dr. GVK Murthy, Dr. Veeranjanyulu, Dean of Students' Affairs, Mr. M. Ramana Babu, Administrative Officer, Ms. Roopa Akkesh, Dean of Training and Placements, Dr. CV Subba Rao, Dean of Academics, Dr. Chaitanya, Ms. N. Vaishnavi, Women Empowerment Cell Convener, and Mr. G. Ramesh Babu, Anti-Ragging Convener. The conference aimed to raise awareness and promote a safe and inclusive campus environment.

WOMEN'S EQUALITY DAY CELEBRATIONS AT PACE

The Internal Complaints Cell and the Women's Empowerment Cell jointly organized celebrations for Women's Equality Day at PACE. Ms. Dhanalakshmi Nelaturi, Advocate and former Women Vice President of the Ongole Bar Association, served as the keynote speaker for the occasion. As part of the event, poster presentations and debate competitions were conducted, allowing female students to express their views on women's equality. Ms. Dhanalakshmi emphasized that women are achieving significant milestones in various fields through gender equality, a progress made possible by the efforts of Dr. B. R. Ambedkar. Certificates of appreciation were awarded to the winners, acknowledging the achievements of girls and women in science, technology, and family systems. Prominent attendees included Maddisetty Sridhar, the college Secretary and Correspondent; Dr. GVK Murthy, the college Principal; Dr. CV Subba Rao, Dean of Academics; Dr. R. Veeranjanyulu, Dean of Students' Affairs; Ms. K. Roopa Akkesh, Dean of Training and Placements; Dr. Chaitanya, AO; Mr. M. Ramana Babu; Women Empowerment convener Ms. N. Vaishnavi; and the women faculty from PACE Institute of Technology and Sciences, along with female students from the Polytechnic College and various heads of departments and faculty members. Their participation contributed to the event's success and grandeur.

INAUGURATION CEREMONY FOR FIRST-YEAR MBA STUDENTS

The Department of MBA at PACE Institute of Technology and Sciences organized the inauguration MBA students for the first-year on August 29, 2024, where all the fresher students and their parents received a warm welcome. Distinguished guests, including Dr. Maddisetty Sridhar, Secretary and Correspondent; Principal Dr.

GVK Murthy; and Dean of Students Dr. R. Veeranjanyulu, along with the Head of the MBA Department, Dr. T. Mary Jones, participated in the event, extending their warm greetings and offering valuable insights to the new MBA students.

NATIONAL CADETS CORP

Cadets from the PACE Institute of Technology and Sciences were awarded NCC B certificates by Subedar Major Pushparaj of the 34(A) Bn NCC in Pelluru. Among the recipients, 15 cadets excelled by achieving an A grade, 14 secured a B grade, and 1 obtained a C grade. Dr. Maddisetty Sridhar, the college Secretary and Correspondent; Dr. GVK Murthy, the college Principal; Dr. CV Subba Rao, Dean of Academics; Dr. R. Veeranjanyulu, Dean of Students' Affairs; Ms. K. Roopa Akkesh, Dean of Training and Placements; AO Mr. M. Ramana Babu; along with various heads of departments and faculty members, expressed their admiration for the students' achievements.

DEPARTMENT OF PHYSICAL EDUCATION

THE NATIONAL SPORTS DAY

On National Sports Day, August 29, 2024, the PACE Institute of Technology and Sciences celebrated the birthday of Major Dhyan Chand. In honor of this occasion, Dr. Maddisetty Sridhar reflected on Chand's remarkable goal-scoring feats and his achievement of winning three Olympic gold medals in field hockey in 1928, 1932, and 1936. Chand, a legendary figure in Indian hockey, joined the Indian army in 1922 and rose to prominence during a tour of New Zealand in 1926. He captained the Indian team at the 1936 Berlin Olympics, where he scored three

goals in the final match against Germany. Renowned as "the Wizard" for his extraordinary ball control, he played his last international match in 1948, finishing his career with over 400 goals. In his speech, Dr. Sridhar praised Chand's invaluable contributions to the sport. Additionally, the Department of Physical Education organized a Kho-Kho competition for the students, and Dr. Sridhar presented prizes to the winners. The event was attended by college secretary and correspondent Dr. Maddisetty Sridhar, Principal, Dr. G.V.K. Murthy, Dean of Students' Affairs, Dr. R. Veeranjanyulu, Chief Administrative Officer Mr. M. Ramana Babu, and all deans and HODs.
